BAMAX LAVORA CON LE MANI, CON LA TESTA, CON IL CUORE, PER CREARE OGGETTI CAPACI DI DURARE NEL TEMPO, AL DI LÀ DELLE MODE: BAMAX CONTINUA A UTILIZZARE LA TRADIZIONALE LUCIDATURA BASSANESE, L'UNICA IN GRADO DI CONFERIRE AL LEGNO QUEL CALORE E QUEL FASCINO CHE SONO LA CARATTERISTICA PRINCIPALE DEL MOBILE ANTICO. LE SUCCESSIVE FASI DI VERNICIATURA E FINITURA AVVENGONO SOLO DOPO UN ATTENTO CONTROLLO DEL MOBILE GREZZO. LA NOSTRA TECNICA DI VERNICIATURA E PATINATURA SI PERDE NEI SECOLI: I NOSTRI "MAESTRI PATINATORI" SE NE TRAMANDANO I SEGRETI ORMAI DA GENERAZIONI. LA TINTA È A BASE DI TERRE NATURALI DI VARIE COLORAZIONI, MISCELATE CON ACQUA. DOPO UNA DECINA DI PASSAGGI E LA STESURA FINALE DI CERA E GOMMA LACCA, SI OTTIENE UNA TONALITÀ PARTICOLARE CHE RENDE I NOSTRI MOBILI UNICI E INCONFONDIBILI.

IN TUTTI I MOBILI BAMAX L'UTILIZZO DI LEGNI PREGIATI, QUALI NOCE, ROVERE, CILIEGIO, ADEGUATAMENTE ESSICCATI, EVAPORATI E STAGIONATI, CONSENTE DI OTTENERE UN LIVELLO OTTIMALE DI STABILITÀ NEL TEMPO E LA MIGLIORE GARANZIA DI DURATA.

BAMAX USES HANDS, MIND AND HEART IN ORDER TO CREATE PRODUCTS WHICH LAST IN TIME, ASIDE FROM FASHION. BAMAX CONTINUES TO UTILIZE THE TRADITIONAL "BASSANESE" POLISHING, THE ONLY ONE ABLE TO GIVE WOOD THAT SPECIAL GLAMOUR AND FEELING OF WARMTH WHICH ARE THE MAIN CHARACTERISTICS OF ANTIQUE FURNITURE. THE SUCCESSIVE PHASES OF PAINTING AND FINISHING TAKE PLACE ONLY AFTER AN ACCURATE INSPECTION OF THE ROUGH FURNITURE. OUR PAINTING AND VARNISHING TECHNIQUES ARE CENTURIES OLD AND OUR "VARNISHING MASTERS" HAVE BEEN HANDING DOWN THEIR SECRETS FROM GENERATION TO GENERATION. ALL COLOURS ARE OBTAINED BY MIXING DIFFERENT COLOURED EARTHS WITH WATER AND AFTER ROUGHLY TEN COATS, A FINAL COAT OF FURNITURE POLISH AND SHELLAC IS GIVEN IN ORDER TO OBTAIN A PARTICULAR SHADE WHICH MAKES OUR FURNITURE UNIQUE AND UNMISTAKABLE.

ALL WOOD USED FOR OUR FURNITURE SUCH AS WALNUT, OAK AND CHERRY, IS ADEQUATELY DRIED, EVAPORATED AND SEASONED, THUS ASSURING AN EXCELLENT STABILITY IN TIME AS WELL AS A LONG LASTING QUALITY.
