

COLLEZIONE SQUARE

Elementi d'arredo universali per progetti che interpretano con la medesima attenzione gli spazi all'aperto e quelli domestici. Mobili liberi da vocazioni rigide, un modo di abitare semplice e raffinato nel quale gli spazi aperti, giardini o terrazzi, entrano sempre più nella quotidianità.

COLLECTION SQUARE

Flexible pieces for projects which interpret both outdoor and indoor spaces with the same care. Flexible pieces of furniture for a simple yet refined way of living everyday life, in which open spaces are more and more intrinsically connected with the rooms and let living areas flow without dividing barriers.
