Il design di "CORAL BAY WATERPROOF" accoglie gli scenari di comfort informale e di naturale eleganza per realizzare sedute **outdoor**. La serie è costruita con tecnologie e materiali speciali per l'esterno. Strutture e imbottiture idrofughe su telai e sostegni in alluminio. A richiesta speciale illuminazione retro divano con Led a colore fisso o a ciclo variabile.

The "CORAL BAY" design creates settings of comfort and natural elegance for **outdoor seating** elements. The series is designed using innovative technology and specific materials for outdoors. Waterproof structure and padding on frame with aluminium supports. Special illuminated multicoloured or fixed coloured LED version applicable to the backside of the Sofa available upon request.
