FOLIO EIGHTEEN BY HENREDON

Totally luxurious. Totally relaxed. With an adventurous spirit that's completely irresistible. That's Folio Eighteen-Neoclassical, art deco, and ancient architectural motifs enlivened with stone accents and casual finishes. Fashioned from distinctive hand-planed walnut, spiced with blackened nickel hardware and etched antique mirror. A thoroughly modern expression of classical traditionalism inspiring us to live life to the fullest.

FINISHES

At Henredon finishing a fine piece of wood furniture is an art involving many hand operations. While we are very careful to formulate each finish and apply it to exacting standards, variations in color will occur. Woods vary in their acceptance of finishing materials; hands vary in their touch. The finishes shown here are as close to the actual finishes as the most sophisticated photographic reproduction methods can produce.
