INTRODUCING ARTISTRY

Artistry combines artisan heritage with today's casual lifestyle.

When we asked our designers to blend the rich artisan heritage of the 19th Century with the easy-going lifestyles of the 21st, it seemed a rather tall order. Fortunately, for admirers of sophisticated style and well contemplated design, our talented Hickory White team pulled it off...with Artistry.

Whether you're decorating a high mountain retreat or a mature coastal getaway, Artistry is right at home. With its eye-catching materials, including cherry solids and veneers and a combination Lancaster finish creating a two-toned appearance, Artistry is ideal for entertaining. Its striking appearance is augmented by varietal enhancements including iron, woven leather and raffia. To bring forth the best of the 19th Century, Hickory White designers incorporated the most venerated styling techniques of the period, including inlays and layered molding applications, as well as a wide array of unique turnings and routing designs.

Classic design recreated beautifully for your lifestyle today—that's the genius of Artistry.

INTRODUCING VINEYARD HAVEN

Like fine aged Merlot, *Vineyard Haven* is a varietal blend of wonderful forms that could live just as gracefully in a 16th century estate on the Cote d'Or as in a casual villa on the Santa Barbara coast. Drawing on some of the best of our European and American antique styling, the collection subtly blends artisan craftsmanship with multi-layered hand finishing techniques.

With its varied levels of surface antiquing, *Vineyard Haven* is a wealth of tactile charm. Each piece takes on its own unique character when coupled with your choice of four custom finish options. *Vineyard* is a warm, brown, hand-burnished wood finish with deep antique luster. *Clay* offers a subtly aged pale Belgian grey, we call *Dove*, detailed with tawny, earthy clay-colored highlights. *Delft* is reminiscent of aged and worn Dutch delftware or blue willow ware, again using *Dove* as the base finish. With china blue lightly rubbed through, the finish attains an antique charm and a quiet coastal feel.

Refined yet understated, robust yet well balanced, *Vineyard Haven* is vintage styling, thoughtfully mixed to be savored for years to come.

A GOOD QUALITY FINISH

In this, your most personal room, the milieu is quietly understated, reflecting a delicate balance of refined and casual.

VINEYARD HAVEN AT A GLANCE

Vineyard Haven is constructed of maple solids and cherry veneers. The collection provides a mix of uniquely different levels of surface antiquing to create a wealth of tactile charm allowing each piece to take on its own unique character when coupled with the wonderful custom finish options.

STANDARD FINISHES

06: VINEYARD

Vineyard (-06) is a warm brown, hand burnished wood finish that has tremendous depth and clarity with hand rubbed surface providing an antique luster that would be expected of antiques that have been well used but rubbed and waxed for decades.

21: DOVE

Dove (-21) is a very sophisticated reflection of an aged pale Belgian Grey finish with a great deal of hand work to provide an aged patina.

PREMIUM FINISHES

11: CLAY

Clay (-11) speaks to a combination of our Dove finish with tawny, earth clay-colored highlights. The striping is lightly rubbed through adding an antique charm and subtle tonal warmth.

15: DELFT

Delft (-15) reflects a combination of our Dove finish with antique highlights reminiscent of aged and worn Dutch delftware or blue willow ware. The coastal feel when combined with the pale Belgian grey surfaces.
