LA BARGE®

La Barge is known for its luxurious and sophisticated assortment of mirrors, tables, and accent pieces. For over 50 years La Barge has continued to provide the finest products fashioned by the world's most skilled artisans with flawless craftsmanship, using time-honored skills such as detailed hand-carving and reverse painted glass. Starting with the charm of simple shapes of brass and glass, the range of products also includes classic designs inspired by 18th century masters, as well as more contemporary, clean lines using nickel-plated brass and faux shagreen. Exotic materials including onyx, natural shells, inlaid leather and hair hide provide texture and the look of casual elegance. Inspired design, graceful lines, and refined hand rubbed finishes and gilding are all hallmarks of La Barge.

La Barge brings art into your home.
