PIAZZA SAN MARCO

Piazza San Marco

Picture the Piazza San Marco in Venice, a fabled square surrounded by ancient palazzos filled with antiques and art. Marge Carson did, and the Piazza San Marco Collection was born. As with the Venetian artisan tradition, Marge Carson's devotion to beauty is reflected in this extraordinary family of architecturally inspired furnishings showcasing artful hand-painted motifs, custom hardware, deep rich finishes and extravagantly carved details accented with metal leafing. The Piazza San Marco Collection captures the sumptuous splendor of a Venetian palace and creates an aura of elegance, romance and style. ♡
