This style of Trilliane is finished with polished stainless steel and is available in eleven pendant sizes and eleven close-to-ceiling fixture sizes.

# TABLE LAMPS

A lamp is not just a lamp when it's a Schonbek® – it's a collectable piece of art. Every Schonbek® crystal lamp is an original whether be it a classic, retro or art deco design.

The same ancestral craftsmanship of crystal chandeliers is reflected in a Schonbek® lamp. Crystal bodies give many lamps a glow from within that we call "bottled light."

Shades come in striking shapes with luxuriant fabrics and trims. For more information visit our website at [www.Schonbek.com](http://www.Schonbek.com)

*Una lámpara no es sólo una lámpara cuando se trata de una Schonbek®: es una pieza de arte coleccionable. Cada lámpara de cristal de Schonbek® es un original, tanto si se trata de un diseño clásico, retro o Art Decó.*

*La misma artesanía antigua de las arañas de cristal se refleja en una lámpara de Schonbek®. Los cuerpos de cristal otorgan a muchas lámparas un resplandor de lo que denominamos "luz embotellada".*

*Las pantallas se materializan en formas sorprendentes con tejidos y ribetes exuberantes. Para obtener más información visite nuestro sitio web: [www.Schonbek.com](http://www.Schonbek.com)*

*FUne lampe n'est pas juste une lampe quand il s'agit d'une lampe Schonbek® – c'est une pièce de collection. Chaque lampe de cristal Schonbek® est un original qu'elle soit classique, rétro ou art déco.*

*Le même artisanat ancien que celui des lustres en cristal se retrouve dans une lampe Schonbek®. Les corps en cristal donnent à la plupart des lampes une lueur de l'intérieur ce qu'on appelle « lumière en bouteille ».*

*Les abat-jour existent dans des formes qui ne passent pas inaperçues luxueusement fabriquées et taillées. Pour plus de renseignements visiter notre site Internet : [www.Schonbek.com](http://www.Schonbek.com)*
