ONE

One è una cucina unica.

Un' isola monolitica il cui perimetro (top, fianchi e basamento), è sagomato a 45° con uno spessore di 30 mm. Completano il design tipico della collezione One, le ante, anch'esse lavorate a 45° con uno spessore di 25 mm. Gli interni dei mobili sono laccati opaco, con guide e cassetti in acciaio inox.

One is a unique kitchen.

A monolithic island with perimeter (top, sides and base) at 45° beveled and 30 mm thick. The typical One collection's design is enriched by doors, 45° beveled and 25 mm thick. The interior is matt lacquered, with guides and drawers in stainless steel.

One ist eine einzigartige Küche.

Eine monolithische Insel mit Perimeter (Platte, Seitenwände und Struktur), auf 45° geformt und 30 mm stark. Das typische Design der Kollektion One ist von den Türen gekennzeichnet, auf 45° geformt und 25 mm stark. Das Innere ist lackiert matt, mit Führungen und Schubladen aus Edelstahl.

One c'est une cuisine unique.

Une îlot monolithique avec périmètre (plan, côtés et base) biseauté à 45°, avec épaisseur de 30 mm. Ils complètent le design typique de la collection One, les portes, elles aussi biseautées à 45° avec épaisseur de 25 mm. Les intérieurs des meubles sont laqués mat, avec des glissières et tiroirs en acier inox.

One это уникальная кухня.

Монолитный остров толщиной 30 мм, который по всему периметру (top, боковины, опора) запилен под углом 45°. Дизайн, столь типичный для коллекции One, завершают створки толщиной 25 мм, которые также запилены под углом 45°. Внутри мебель покрыта матовым лаком, ящики из нержавеющей стали оснащены доводчиками.

FLY

Il suo top col profilo a 30° esaltato fino all'esasperazione e la gola volutamente over size ne caratterizzano la collezione. Fianchi ed ante tutti lavorati a 45°, con spessore di 22 mm, creano un volume senza interruzioni. Gli interni dei mobili sono in nobilitato nero da 18 mm con le guide dei cassetti nere.

Its 30°-beveled top and the intentionally over-sized horizontal support characterizes the collection. 45°-beveled sides and doors, 22 mm thick, create a continuous volume. The interior is in black melamine 18 mm, with black drawers' guides.

Die 30°-geformte Platte und die absichtliche überdimensionale Topauflage kennzeichnen die Kollektion. Seitenwände und Türen auf 45° geformt, 22 mm stark, schaffen einen kontinuierlichen Volumen. Das Innen ist aus schwarz Melamin 18 mm, mit schwarze Schubladenführungen.

Son top biseauté à 30° exalté jusqu'à l'exaspération et la rehausse volontairement over size en caractérisent la collection. Côtés et portes tous biseautés à 45°, avec épaisseur de 22 mm, ils créent un volume sans interruptions. Les intérieurs des meubles sont en mélamine noir de 18 mm avec les glissières noirs.

Коллекцию характеризуют выдающийся профиль с углом запила 30° и встроенная ручка намеренно большого размера. Створки и боковины толщиной 22 мм и с углом запила 45° создают непрерывное ощущение объема. Внутри элементы имеют отделку из черного меламин 18 мм и направляющие черного цвета.
