

THE WORLD OF
EICHHOLTZ

“The art and *comfort*
of the unexpected”

*“Theo Eichholtz,
the man behind the brand”*

For the last 20 years, our creations have been travelling around the world. Our small company has been growing with a sense of innovation that is constantly renewed. A perpetual creative movement, a passion for textures and colours, a genuine joy in pleasing, a commitment to the spirit of fashion, an easiness in creating surprise and astonishment, but most importantly a subtle balance of the talents and their wonderful ability to rebound!
