◀ The look is elegant in this luxury Ivory kitchen. The beautifully carved mantle and hearth above the range top shows Francesco Molon's attention to detail. Each lavish and functional pilaster, ornate bead and cornice provide a rich finished look for any home. The combination of two distinctly different door styles, one solid wood the other glass paned compliment the delicate feel of the kitchen, while the sturdy and heavily ornate center free-standing island offers a focal point for the room. Every detail, every piece, completely customizable.

◀ The stylish painted ivory and gold accents are truly a beautiful match. Fine detailing in the woodwork and the matching door with modillion give off an extra flare for those looking to impress.

▶ A decorative fully functional pilaster pulls out, providing extra storage space and convenience in a well-hidden hand-carved masterpiece.

► A wooden grill style plate rack provides decorative storage and display functionality. In keeping with the same style, the one-piece marble sink with slate front and large base cabinet is an added feature to any kitchen.

◀ Intricate island detailing is done with hand-carved pilasters on all four sides.

► An elegant and spacious kitchen , this Ivory painted design features decorative elements as well as highly functional storage areas. The mantel-shelf supported by large ornate corbels and extraordinary work-top cabinets transition beautifully into the wide hearth providing a spacious working area for the cook-top. Decorative columns flank the sides of the cooking area providing a finished appeal.

◀ ▲ This complimenting sideboard in an Ivory painted finish adds elegance to any room. The detailing matches that of the kitchen and gives a nice free-standing element and additional storage. Ivory painted table, the perfect choice to complete this kitchen.

► These wide base cabinets are a dream come true for any kitchen lover. The simplicity and elegance of the extra long glass front work-top cabinets with drawer below makes for great display of collectible serving pieces and stemware. Customizable with any glass style; seeded, Venetian or plain – this kitchen is a true design winner.

◀ ▲ This Tuscan inspired Walnut kitchen with Ivory painted accents is a true treasure. From the large solid wood range hood and extra large shallow one-piece marble sink to the heavy-set island with Ivory pilaster ends, this kitchen reflects the essence of a true gourmet.

◀ A clean classic look is what you will find with our wood paneled, completely concealed dishwasher. With the faux drawer and cabinet design this is a must have for any kitchen.

▶ A shallow, extra wide, one-piece solid marble sink is perfect for the kitchen connoisseur. Made of Italian marble, the look is lavish and very functional.

A wood grill style plate rack is practical as well as the perfect display accent. Fitting all standard plate sizes, this decorative element is a stylish way to space out a wall of solid cabinets still allowing for plenty of storage space.

► The luxury of space and elegance. The painted ivory finish and gold accents give this kitchen its' luxurious appeal. A massive mantle and hearth over the range top are the focal point allowing for a wide-open cooking area – perfect for that master chef.

The center island with marble top and center sink is the perfect work-surface. Hand-carved ornate pilasters finish the ends of the island, while spacious storage drawers extend from the ends allowing for a side seating area.

An open wooden grate style plate rack adds a decorative appearance as well as additional storage. A mixture of cabinet styles is also an attractive addition.

The glass front cabinet door allows for display and storage of your most prized possessions.

The ornate columns between each cabinet adds the last finishing element to this superior design.

## KITCHEN COLLECTION

▼ ► Nothing like a dream. This dream kitchen vignette shown at K/BIS 2005 in partnership with Thermador appliances – took audiences by storm. This Tuscan inspired walnut wood kitchen in an antique walnut finish was the perfect compliment to the modern appliances shown. Featured in the kitchen a solid wood faux painted finish range hood with decorative corbels hangs above the Italian marble countertop. In the

corner a solid extra-deep, one piece marble sink, perfect for kitchen lovers - with the added charm of an inset wooden plate rack hangs above. Decorative hand-carved pilasters can be found on the corners of the counter separating the range area from the other base cabinets. Completing the kitchen is the inlaid parquet floor - completely handmade from European wood veneers.

◀ This very classic Ivory painted corner kitchen with gold modillions and trim is a true example of high-class design and superior construction. Complete with glass front, corner half cabinets and ornate mantel and hearth, this kitchen allows for the perfect usage of space.

◀ A handy space saving utility cart is a must have in any kitchen. Convenient easy glide drawers and lower shelf allow for quick access to utensils and bowls. The inclusion of the solid wood cookbook rack helps create the ultimate workstation.

▶ A striking choice for any home, this Ivory painted kitchen is filled with intriguing nuances. From the commanding, free-standing island with large base cabinets and center drawer to the decorative columns flanking all four sides – this kitchen is rich with design. The extra wide wooden grill plate rack, beautiful open wall cupboard, unique detailing and simple door style all provide homeowners with the look of luxury.

◀ Decorative and rich with style, this antique green painted finish with gold leaf accents is stunning. The decorative cornice and modillion are true works of art. The center island with built-in wine rack and open shelving, finished by stately pilasters is an outstanding feature for kitchen connoisseurs. Above the

island a full size pot rack of solid wood with wrought iron scrolls and hooks allows for additional storage space with a country flare. The mantel and hearth above the cook-top includes pull-out pilasters for oil and spice storage.

► A very understated look to this walnut wood kitchen done in a bleached Miami finish. A different door style (shown: Door Style "Siena") allows for a more traditional cabinet appearance. Anchored above the cook-top a beautiful solid wood hood to conceal ventilation. A free-standing pantry allows for additional storage while providing an old time country appeal. Completing the kitchens all natural wood appeal are the durable handmade parquet floor tiles – all made of European wood inlays.

◀▶ Created by Charlotte based designer Leo Dowell, this kitchen is complete with style and charm. Rich European ambiance is created by these artful French inspired free-standing furniture pieces. The solid walnut hood with faux painted finish and decorative hammered copper back splash add a warm and charming appeal. Pull-out wooden drawers beside the wall oven are perfect for spices and cooking oils, while the gliding shelf style baskets are well designed storage for vegetables and bread.

► Making a grand statement, this ornately decorated, free-standing cupboard in walnut wood with an antiqued blue painted finish commands attention. With a solid oak planked back and chicken wire doors this piece is beyond charming. A sturdy work surface shelf of hammered copper and spacious lower shelving makes this piece a must have for any country kitchen.

◀ The cook-top area with open slate base is perfect for easy access and storage of large platters and cutting boards. Columns of small drawers for spices or utensil storage finish both sides of the cook-top base.
