THINK ABOUT FLOWERS

Bathroom / 04

Superfici piane sconvolte dalla presenza improvvisa di rilievi floreali.
L'incontro tra volumi semplici, ispirati al design minimale, e intagli floreali, derivati invece dalla tradizione del mobile classico, danno vita ad elemento dal forte impatto decorativo.

Flat surfaces overrun by the sudden presence of floral reliefs.
The meeting between simple volumes, inspired by the minimalist design, and floral carvings, instead derived from the tradition of classic furnitures, give rise to a strong decorative element.

Sostegni in massello e fianchi in essenza di palissandro, disegnano un elemento dal forte carattere decorativo. Intagli floreali laccati e decori in ottone cromato, ne completano l'impatto estetico. Il gioco di colori tra marmo botticino e grigio Londra, ricreano il giusto involucro, imperioso nel colore ma elegante nello stile.

Solid wood supports and rosewood essence sides draw furniture with a strong decorative character. Lacquered floral carvings and chromed brass decors complete its aesthetic impact. The color game between marbles Botticino and London Grey recreates the right involucres, imperious in color but elegant in style.

Il tema floreale si arricchisce di colori.
Il bianco e l'essenza lasciano il posto alla foglia oro,
in abbinamento all'argento; colori decisi, applicati
a tempera, completano il tema decorativo.
Decorì in ottone bagno oro, presentano una finitura
ancor più preziosa.

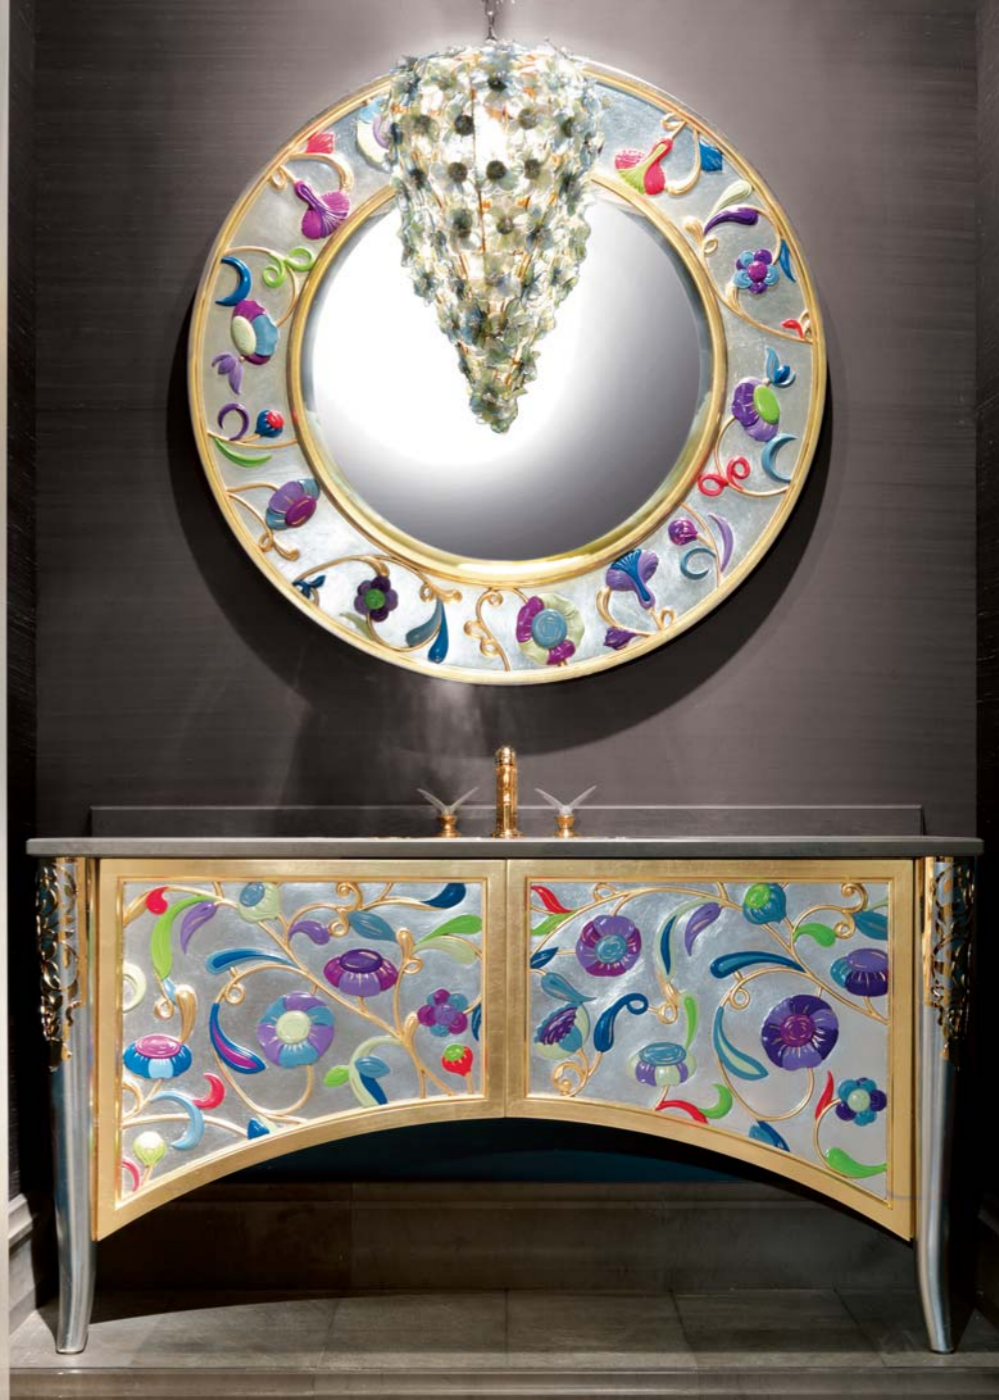

The floral theme becomes richer thanks to the colors.
White and veneer give way to the golden leaf, matched to the silver;
bright colors, finished with tempera, complete the decorative motif.
The golden brass decors make the finishing even more precious.
