Le dimensioni di Ghaia

Ghaia's dimensions

Tutte le librerie, le vetrine e le specchiere Ghaia sono realizzate in "tamburato". Questo tipo di lavorazione conferisce a tutta la collezione stabilità, robustezza e soprattutto leggerezza; quest'ultima qualità permette ai "pezzi" Ghaia di essere facilmente appesi come se fossero dei quadri o, in alternativa,incassati in nicchia.

All the bookcases, showcases and mirror units of the Ghaia collection are made of "honeycomb core panels". This type of finish conveys stability, sturdiness and above all lightness to the entire collection; thanks to this latter quality, the Ghaia "elements" can be easily hung up as if they were pictures, or in alternative, set in a niche.
