JAB Furniture – „Handmade in Germany“ sells a versatile and fascinating range of first-class upholstered furniture products. JAB Furniture comes to life utilising the most modern manufacturing processes and qualified hand craft, with the production site located exclusively in Bielefeld, Germany. 150 well educated employees, most of whom are in-house qualified, work with the JAB Furniture spirit of quality everyday as the individual production requires the most from these talented specialists.

According to the corporate group philosophy: Fascination living without borders, JAB JOSEF ANSTOETZ offers a broad variety of quality textile furniture. JAB Furniture, as part of the JAB ANSTOETZ Group, is integrated into a family of companies which live up to a highly recognisable standard in the field of exclusive living and furnishing over decades.
