teppiche sind alle einzigartig.

COLLEZIONE VINTAGE

I nostri tappeti sono ormai privi di significato, ciò accade perchè li abbiamo consumati, estenuati, svuotati con un uso eccessivo e spesso inconsapevole. Li abbiamo resi contenitori vuoti. Per usarli ancora dobbiamo rigenerarli. Dobbiamo restituire loro: consistenza, colore, vibrazioni e soprattutto senso.

Per fare questo dobbiamo farli a pezzi e poi ricostruirli. Noi li abbiamo smontati e poi rimontati, liberandoli dai vincoli e dalle convenzioni, mantenendo il loro più profondo significato. Solo dopo questo processo possiamo riusarli per raccontare nuove storie.

VINTAGE COLLECTION

If carpets no longer mean anything to us, it's because we made them meaningless through an often uncaring and oblivious use that has emptied them and left them exhausted. They ended up as empty vessels.

To use them again we must re-create them. We need to restore their texture, color, feelings, and, above all, their meaning. This takes an act of destruction and reconstruction, which is exactly what we did.

We shattered them into pieces only to reassemble them in ways that free them from the weight of ingrained visual conventions, but keep their deeper meaning. Only through such a process can we enjoy them again and let them narrate new stories.

COLLECTION VINTAGE

Nos tapis sont désormais insignifiants, cela arrive parce que nous les avons usés, exténués, vidés par un usage excessif et souvent inconscient. Nous les avons transformés en récipients vides. Pour les utiliser encore nous devons les régénérer. Nous devons leur rendre de la consistance, de la couleur, des vibrations et surtout du sens. Pour faire cela nous devons les réduire en morceaux et les recréer. Nous les avons démontés et puis remontés, libérés des liens et des conventions, en gardant leur profonde signification. C'est après ce processus que nous pouvons les réutiliser pour raconter de nouvelles histoires.

VINTAGE-KOLLEKTION

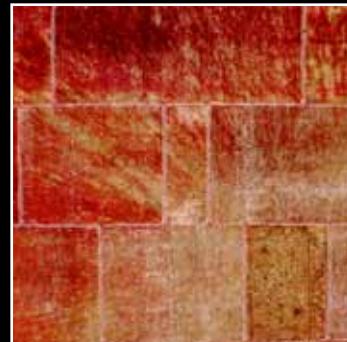

Unsere Teppiche sind inzwischen ohne Belang, weil wir sie durch zu starke Beanspruchung verschlissen, erschöpft und ausgeöhlt haben, was häufig unbewusst geschieht. Wir haben sie zu leeren Behältern gemacht. Um sie wieder zu verwenden, müssen sie regeneriert werden. Wir müssen ihnen ihre Konsistenz, ihre Farben, ihr Flair und vor allen Dingen ihren Sinn zurückgeben. Zu diesem Zweck müssen wir sie in Stücke schneiden und neu zusammensetzen. Wir haben sie zerlegt und dann wieder zusammengesetzt, so dass sie von allen Zwängen und Konventionen befreit wurden. Ihr tieferer Sinn wurde jedoch beibehalten. Erst nach diesem Prozess können wir sie wieder verwenden, damit sie neue Geschichten erzählen.

I tappeti Fire sono ottenuti con un nuovo tipo di lavaggio, che pur mantenendo la monocromia della nostra collezione Karma hanno un tocco "artistico" in più; si ottiene con un getto di detergente che toglie colore in modo sempre diverso ma molto simile, in modo da poter garantire il controllo finale dell'immagine. Tutto questo per far trasparire l'importanza e la storia dei vecchi tappeti persiani con cui è stato costruito.

Fire rugs are obtained by a new washing method, which still maintaining the monochromy of our Karma collection, have an additional "artistic touch". A particular cleanser is used which takes away the colour always in a different way and guarantees the original image. All this is done to highlight the importance and the history of old Persian rugs which these particular rugs are made with.
