New for 2012, Chalet is
the latest collection of
pure new wool furnishing
fabrics from Moon.

Inspired by the simple
warmth and comfort of
the luxury Ski Lodge,
this is a collection of
Nordic inspiration with
contemporary design
elements.

Chair: U1104/BR47 Skye Red

Cushions: U1317/A02 Snowflake Natural &
U1295/R10 Banff Red/Black

Chair:

U1297/X13 Massif Charcoal/Red

U1317/A01 Snowflake Red &

U1316/A01 Buffalo Red

The striking fabrics in clear distinct designs of checks, spots, stars and a retro snowflake design complement and enhance the sweeping curves and strong outlines of modern Scandinavian design.

Strong colours of red and terracotta fused with alpine meadow hues and natural shades bring a homely feel without diminishing the light airiness of the room.

This distinctive fabric can create a focal point but also provide a comfortable haven in front of a roaring fire on cold winter nights.
