Vogue concept

La collezione Vogue progettata e coordinata per Medea Lifestyle 1905 è caratterizzata da un'accurata lavorazione e dettagli relativi al mondo della moda. Imbottitura, pelli, tessuti, trapuntature, opere artigianali, richiamano lo stile più trendy italiano. Il design estremamente rigoroso dei mobili e dei tavoli diventa più ricercato grazie alla combinazione con le finiture in legno di eucalipto, dettagli dorati e le laccature nei toni grigi. La libera combinazione di forme e materiali da vita ad uno spazio elegante e unico.

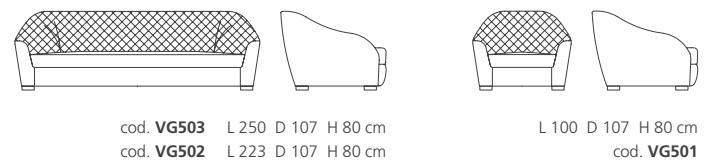

The Vogue collection designed and coordinated for Medea Lifestyle 1905 is characterized by accurate working and details related to the world of fashion. In padding, leathers, fabrics, quiltings, artisanal works, recall the most trendy Italian fashion style. The extremely rigorous design of containers and tables become more sought after thanks to the combination with eucalyptus wood, gold color finishes and lacquerings in gray tones. Free combination of forms and materials give life to an elegant and unique spaces.

EURO SIRONI

Euro Sironi developed his professional training through a long experience in the sector of furniture and design. After the studies at the polytechnic design school in Milan and after collaborations with important architecture studios, he started working on projects for some of the most well-known Italian furniture brands and at present he still collaborates with them. He attentively follows the current stylistic and formal trends and uses his knowledge for the interior design of villas, offices, shops, showrooms and stands. Art director, visual and set designer, his alchemic language expresses itself in a research of details that makes simple and sophisticated at the same time, every realization, every space, every detail.
