

ITALAMP

# #BookReferences

Made in Italy since 1975

# DWELLING HOUSE

CHADO ARCHITECTURAL STUDIO

A house for a family of four people uses the idea of a contrast between a monumental “shell” – and a transparent, filled with light and air “inside”. Thank you Chado Architectural Studio for using Aura to light up this amazing project.

# PALAZZO ELENA

PORTO MONTENEGRO

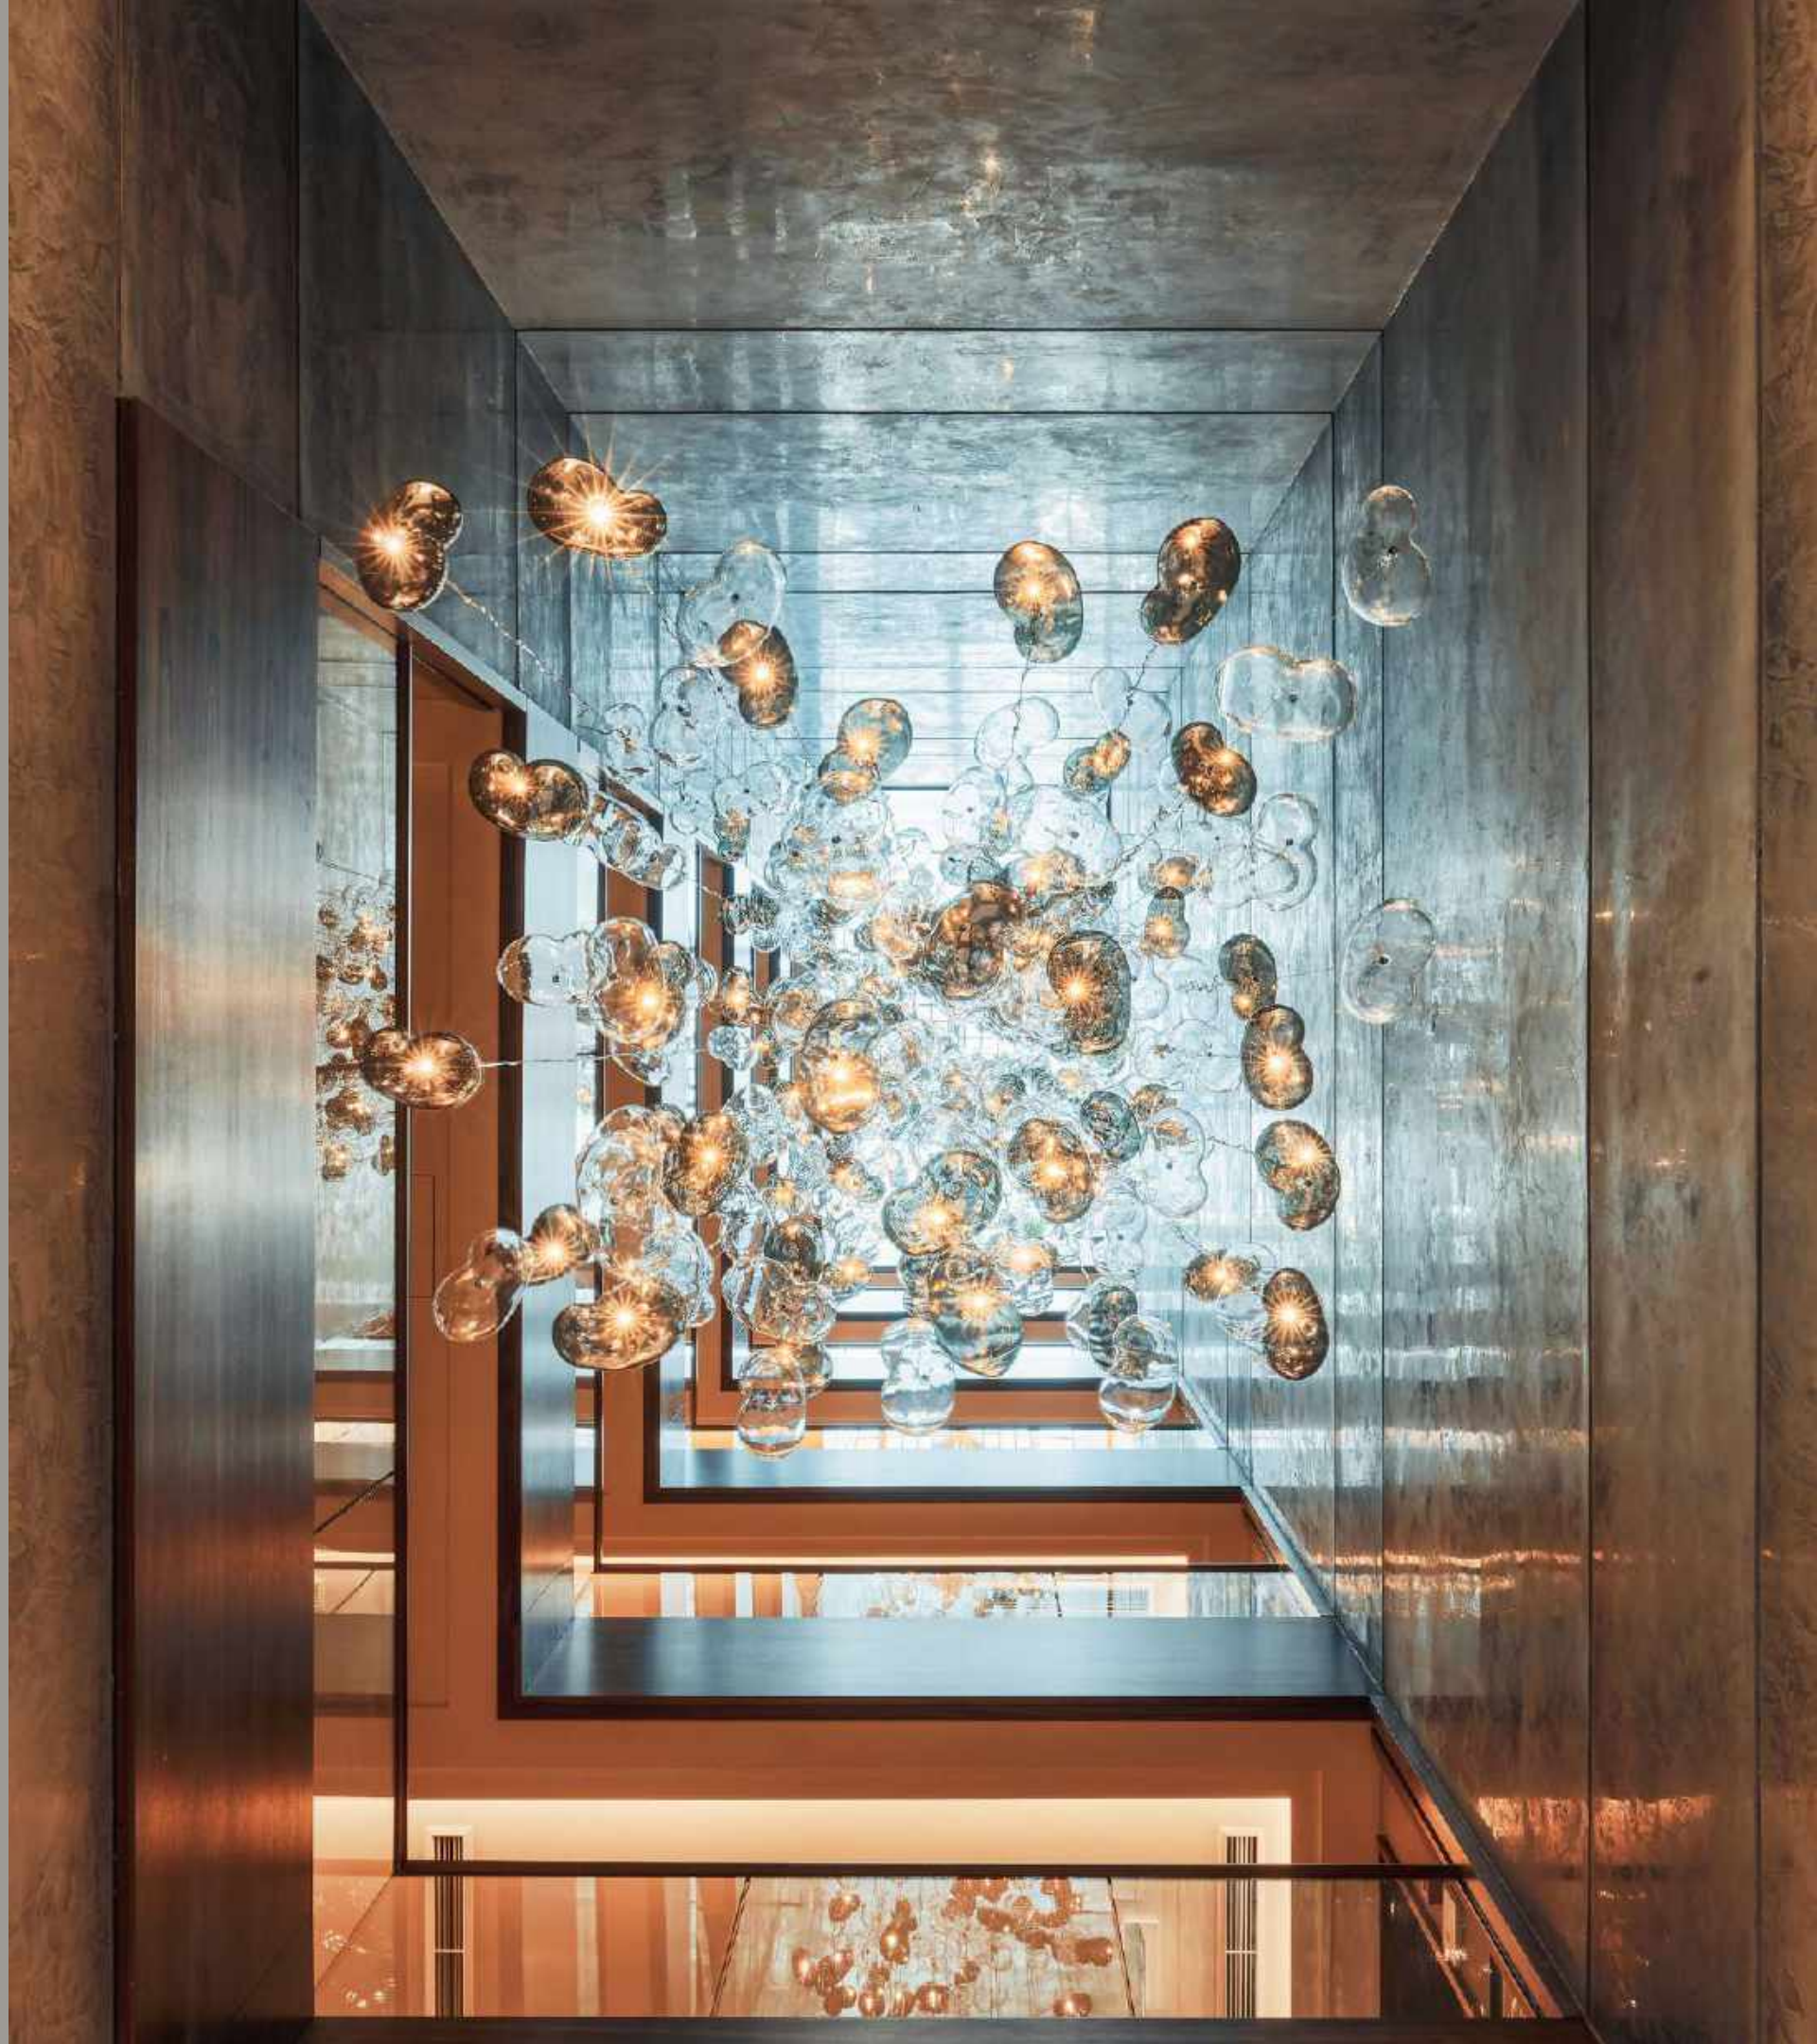

talamp lights up Palazzo Elena.  
We are in Porto Montenegro, a high level  
touristic destination for yachts and villas lovers.

If you have the opportunity to visit it, you will  
find yourself in front of two marvelous 19-meter  
waterfalls illuminated by blown glass elements,  
the result of a high engineering concept as well  
as Design.

# THE ADDRESS

DUBAI

The award-winning hotel Address Downtown, landmark of luxury and hospitality in the Dubai Downtown chose Italamp for enlightening the Marina Restaurant area. Zeus and Aura pendant versions adorn this location with a warm and stylish light, perfectly matching with the precious mood of this dining area.

# TWINS VILLA

DOHA, QATAR

# HERMITAGE

## TURKMENISTAN

Welcome to the “Hermitage Showroom” in Turkmenistan. This suspension presents the “casted” glass technique; from blown glass to solid glass, a technique that requires a strong expertise in the craftsmanship glass processing. In this case we have glass casted leaves in amber, topaz and transparent elements, which make this installation a breathtaking composition.
