MUST HAVE si distingue per le sue linee pure ed avvolgenti, arricchite da dettagli in cromo nero e preziosi piani in marmo. Basamenti alti e slanciati rendono i mobili di questa collezione leggeri e dinamici, in un continuo gioco tra pieni e vuoti.

MUST HAVE stands out for its pure and embracing lines, enriched by black chrome details and precious marble tops. Tall and slender bases make these pieces light and dynamic, with an original match of solid parts and empty spaces.

NEXT LEVEL è caratterizzata da geometrie verticali e orizzontali che si inseguono e si accostano, senza mai toccarsi. Le forme delicate e la sapiente scelta di finiture trasmettono armonia ed eleganza.

NEXT LEVEL is characterized by vertical and horizontal geometries, that chase and approach each other, but never get to touch. The discrete shapes and the wise choice of finishes infuse harmony and elegance.
