A close-up photograph of a grey and dark blue patterned knit blanket with fringe. The blanket is draped over a light-colored leather chair. The top portion of the blanket features a dark blue geometric pattern on a grey background. Below this pattern, the word 'CIPRIANI' is printed in large, dark blue, serif capital letters. Underneath 'CIPRIANI', the word 'HOMEOD' is printed in smaller, dark blue, sans-serif capital letters. The bottom edge of the blanket has a fringe of grey threads. The background is a warm, golden-yellow wall, and a wooden table is visible on the right side.
