## GR0876-1000A

Description: Garden light lamp

Material: Aluminium+Acrylic

Watts: 16W

Led Input: AC 220-240V IP54

Colour: black/white

Product Size(mm):  $\Phi 38 \times H1000$ mm

CCT:3000K

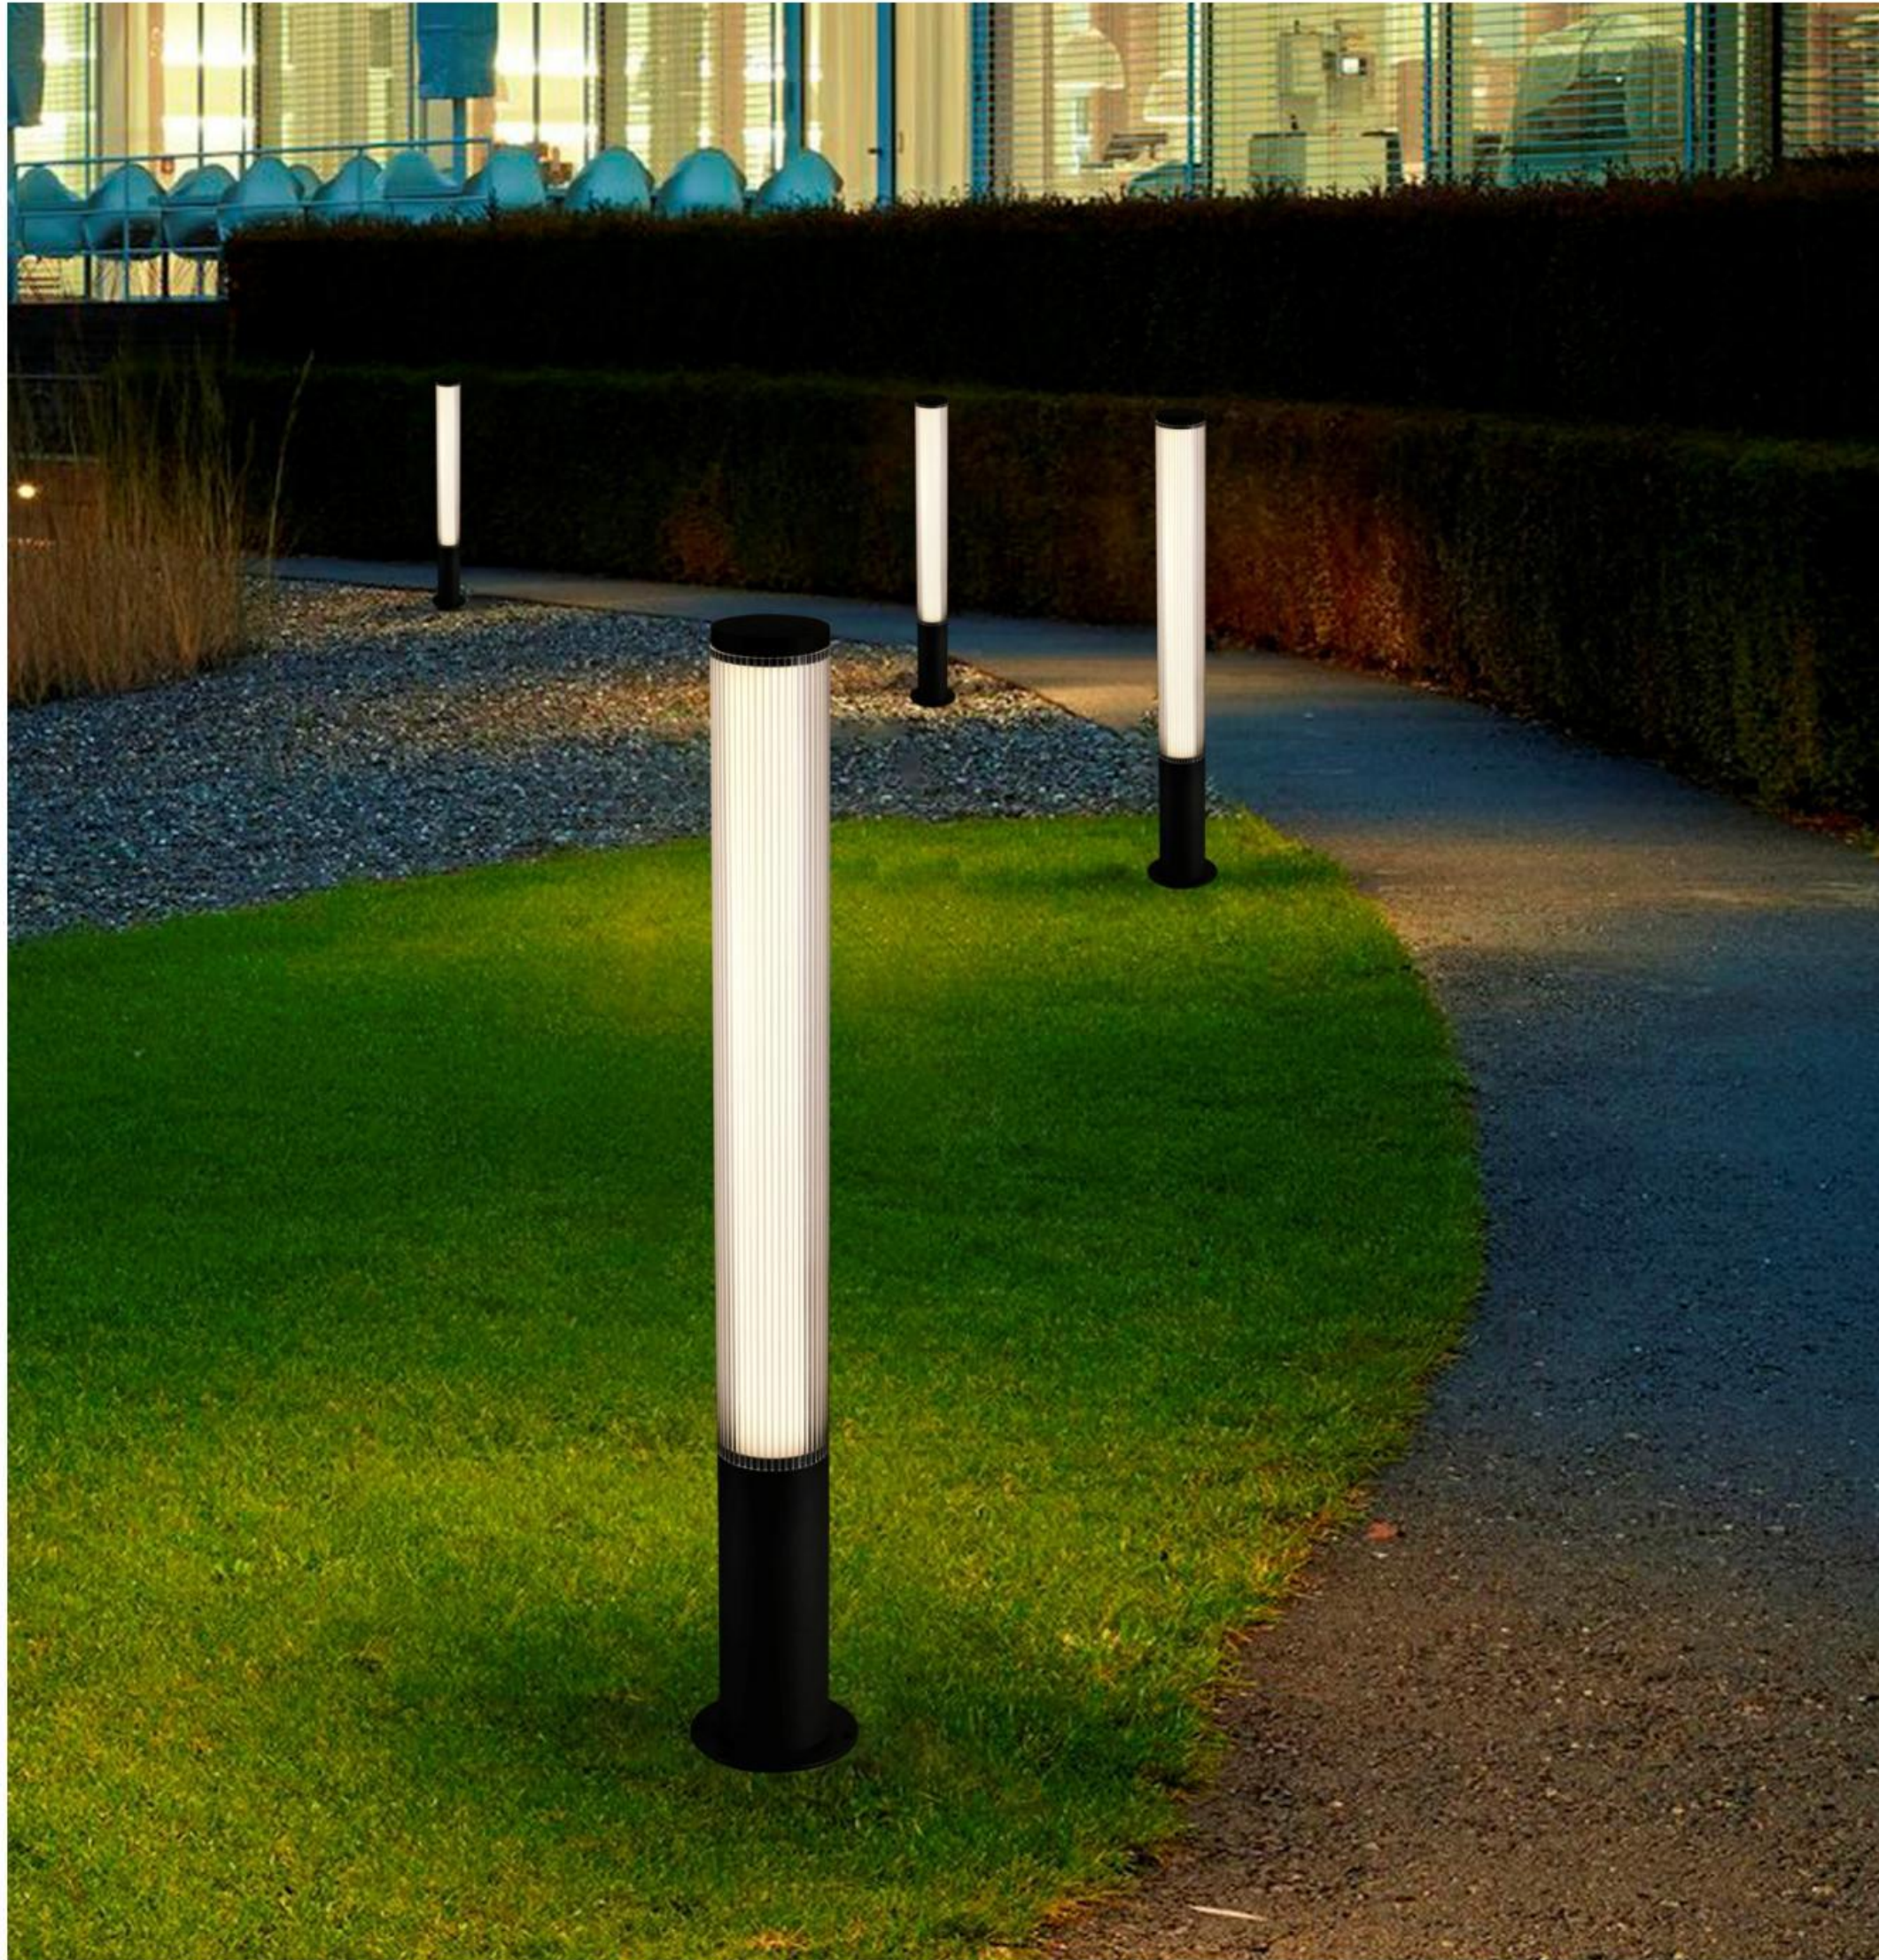

**GR0876-600B**

## Attendant

The integration of the most classic modeling design and the most cutting-edge optical concept makes our outdoor lighting products the same existence as the attendants:  
Absolutely loyal service and reliable quality.

## Building Blocks

The adjustable angle and the adjustable module can make the human body as happy and inspired as the building blocks in the process of using the light. The excellent wood grain treatment on the surface also makes the expression form of light more delicate.
