## STELLA

In the long years, we have used our unique traditional creation to change the legends of various classical arts.?  
The fine texture of frosted sand, along the round edge, concentrates light but soft.

好的设计保持最自然和原始的状态  
恰似紫藤花的优美别致  
彼此推着挤着  
好不活泼热闹

Being natural and original is the key factors to  
define a good design.  
Just like the elegance of wisteria flowers  
wildly blooming in the woods.  
What a prosperous scene..
