EUROLUCE: I MOTIVI DEL SUCCESSO

La nostra storia è la storia della passione per il made in Italy fin dall'inizio, da quando, cioè, eravamo una piccola ma dinamica e innovativa realtà nel settore dei lampadari e dell'illuminazione. Una passione che si rinnova giorno dopo giorno e che trova conferma nei successi delle nuove collezioni e nella pluridecennale fiducia dei nostri amici clienti.

Ma il vero segreto del successo è legato al fattore umano e all'importante know-how che hanno saputo costruire i nostri artigiani, i nostri tecnici, i nostri creatori. Se le nostre collezioni palpitano di luce, se la luce non è soltanto un elemento tecnico ma suscita emozioni, se i lampadari sono ambasciatori di bellezza, se le sospensioni, le appliques, le piantane, i lumi mostrano un'anima, è a loro che dobbiamo essere riconoscenti.

THE REASONS BEHIND OUR SUCCESS. Ours is a story of passion for the Italian manufacturing sector, right since the start, when we were just a small but dynamic and innovative company working in the lighting sector and making light fittings. That passion is renewed day by day, and is confirmed by the success of the new collections and by decades of loyalty of our clients, who are also our friends. But the real secret to our success is linked to the human factor and to the extensive know-how that our craftsmen, technicians and creative staff have succeeded in building. If our collections pulse with light, if light goes beyond being a technical element to arouse emotions, if light fittings are ambassadors of beauty, if suspension lights, wall lights, standard lamps and spots have a soul, then it is to them that we must be grateful.

ПРИЧИНЫ УСПЕХА. Наша история - это история об увлечении к made in Italy с самого начала, с тех пор, когда мы были небольшой, но динамичной и инновационной реальностью в промышленности освещения. День за днём обновленное увлечение, подтверждаемое успехами новых коллекций и многолетним доверием наших клиентов, наших друзей. Но самый реальный секрет нашего успеха связан с важным человеческим фактором, know-how наших мастеров, наших техников, наших дизайнеров. Если наши коллекции излучают свет не только как технический элемент, но и как источник эмоций, если люстры являются посланниками красоты, если светильники, бра, торшеры, лампы изысканно изящны, это только благодаря нашим мастерам.

成功原因。从一开始，我们的历史也是对意大利制造的热情的历史，那时，我们还是一家小型企业，但充满活力和创新精神，在灯具和照明领域经营。日复一日，我们的激情从未减退，由此带来新产品系列的成功以及与客户伙伴之间长达数十年的信任关系。但是，真正的成功秘诀与人力因素密切相关，同时也来自于我们的手工艺人、技术人员、创意师所累计起来的大量经验技艺。如果我们的产品系列为光而震颤，如果光不仅仅是一个技术要素、更是激情迸发的源泉，如果灯具是美的使节，如果吊灯、壁灯、落地灯、台灯展现了一个灵魂，那么我们应当感谢的就是他们。
