THE INTIMATE LIVING

THE INTIMATE LIVING: A SETTING THAT REVEALS THE MOST INTIMATE SOUL OF THE ETRO HOME INTERIORS LINE, THROUGH A PROPOSAL WITH A SOFT AND ELEGANT ALLURE.

WHITE, BEIGE, GREIGE AND CHAMPAGNE: THE NEUTRAL PALETTE LENDS A DELICATE CHARM TO THE FURNISHINGS. EXOTIC ACCENTS FROM ETHNIC INSPIRATION GIVE LIFE TO A MIX OF ATMOSPHERES THAT RECALL FARAWAY LANDS, CONFIRMING THE NOMADIC SPIRIT THAT IS PART OF ETRO'S DNA. THE PECULIAR ELEMENTS OF ETRO HOME INTERIORS LINE ARE HIGHLIGHTED: ICONIC FABRICS AND NATURAL AND REFINED MATERIALS, COMBINED WITH EVOCATIVE PATTERNS AND SYMBOLIC THEMES SUCH AS THE PEGASUS AND THE ETRO MONOGRAM.

AT THE CENTER OF THE ROOM THE **MADRAS** SOFA, ENVELOPING AND ELEGANT, IS UPHOLSTERED IN A SOFT CREAM SHADE OF VELVET. IT IS COMBINED WITH THE ARMCHAIR OF THE SAME LINE, FEATURING A PRECIOUS CASHMERE DESIGN FABRIC. THE SETTING IS ENRICHED WITH THE SEDUCTIVE **SHAH** ARMCHAIR, ENHANCED BY SPECIAL TRIBAL EMBROIDERIES, AND THE **AMBAR** COFFEE TABLES, REMINDING THE SHAPES AND MATERIALS OF THE TYPICAL AFRICAN PERCUSSIONS.

MADRAS SOFA

Classic, soft and elegant lines for the Madras sofa, upholstered with velvet in a soft cream shade, in line with the new interpretation that reveals ETRO Home Interiors' most elegant and delicate facet. Enhanced by the leather belt, a contrasting decorative element that underlines the harmony of the shapes, the sofa expresses the brand's most institutional character through details such as the buckle in soft brass with ETRO logo and the geometric pattern that plays on the repetition of the E letter.

Madras is an elegant and sophisticated armchair, characterized by soft and harmonious lines, emphasized by the upholstery with Leroy fabric, featuring a typical cashmere design and presented in a new color: a warm and refined gray-beige shade. The leather belt is the contrasting decorative element that emphasizes the harmony of the shapes, while the buckle with ETRO logo, in brass like the tips that add a note of shine to the whole, signs and seals the quality of the armchair.

SHAH SMALL ARMCHAIR

A welcoming and evocative armchair that celebrates ETRO Home Interiors' eclectic soul. The ethnic inspiration, already present in the name that refers to the kings of the Persian tradition, is found in the cushion resting on the seat, recalling the Ottoman poufs, in the essential lines of the dark wood structure and in the Bukhara fabric upholstery, with tribal decorative embroidery, presented this year in a new color variant. The institutional character can be found in the detail of the Pegasus, the winged horse, historical symbol of the brand, applied on the back. The silk tassels on the seat cushions add a classic twist, confirming the versatile personality of the armchair.
