Modular Sofa Collection by Federica Biasi

Introduction

IT→ Samet è un divano componibile senza regole, un prodotto polifunzionale e configurabile che pone l'uomo come soggetto attivo nella composizione del proprio spazio, incoraggiandolo a sperimentare nuove forme di utilizzo. Sedute accoglienti e ospitali si accostano l'una all'altra in geometrie regolari e morbide, un progetto dinamico per creare molteplici tipologie di sedute più o meno informali. Dettagli, impunture e matelassé, arricchiscono una semplice modulistica che crea infinite composizioni con un'estetica oltre tempo, dal sofà più classico a quello più poliedrico.

EN→ Samet is a modular sofa without rules, a multifunctional and modular product that places man as an active subject in the composition of his own space, encouraging him to experiment with new forms of use. Cozy and comfortable seats are combined each other in regular and soft geometries, a dynamic design to create multiple types of elegant or informal seating in the same time. Details, stitching and matelassé enrich the collection creating ever-new compositions with a timeless aesthetic, from the most classic sofa to the most eclectic.

FR→ Samet est un canapé modulaire sans règles, un produit multifonctionnel et configurable qui place la personne en tant que sujet actif dans la composition de son propre espace, en l'encourageant à expérimenter de nouvelles formes d'utilisation. Des sièges confortables et accueillants sont juxtaposés les uns aux autres dans des géométries régulières et douces, un design dynamique pour créer de multiples types de sièges plus ou moins informels. Détails, coutures et éléments matelassés enrichissent une modularité simple qui crée des compositions infinies à l'esthétique intemporelle, du canapé le plus classique au plus multiforme.

DE→ Samet ist ein modulares Sofa ohne Regeln, ein multifunktionales und konfigurierbares Produkt, das den Menschen als aktives Subjekt in die Gestaltung seines eigenen Raums einbezieht und ihn ermutigt, neue Verwendungsmöglichkeiten Nutzungsformen zu experimentieren. Gemütliche und einladende Sitzelemente werden in regelmäßigen und weichen Geometrien einander gegenübergestellt, ein dynamisches Design, um verschiedene Arten von mehr oder weniger informellen Sitzgelegenheiten zu schaffen. Details, Nähte und Steppauflagen bereichern eine einfache Modularität, die unendliche Kompositionen mit einer zeitlosen Ästhetik schafft, vom klassischsten Sofa bis zum Allrounder Teil.
