MONTAIGNE BY HENREDON

Montaigne; a collection that takes furniture design in a sophisticated new direction—with fashionable, livable results. Elegant silhouettes, seasoned with a hint of mid-century modern, brought to life in an innovative cerused finish that lends texture to the white oak veneers. Architecturally inspired designs.

Dressed up here, with dashes of sleek metal and parchment-like leather...there, with glowing silver leaf and mocha faux finishes.

A look, a style that is original.
Evocative. Luxuriously chic. Inspiring in its vision.

FINISH

At Henredon finishing a fine piece of wood furniture is an art involving many hand operations. While we are very careful to formulate each finish and apply it to exacting standards, variations in color will occur. Woods vary in their acceptance of finishing materials; hands vary in their touch. The finishes shown here are as close to the actual finishes as the most sophisticated photographic reproduction methods can produce.
