THOROUGHLY MODERN

Our version of modern design celebrates geometry, angular shapes and furniture that creates an artistic statement.

BELGIAN MODERN

*The prevailing mood
of Belgian Modern is
luxurious simplicity.*

THE INTERIORS FEEL RICH, YET LIVED IN, with an emphasis on warm woods and natural materials that suggest the patina of age—and yet they are fresh. Rooted in 17th-century Flemish and Dutch interiors, Belgian Modern style has been on our radar and the cutting edge of the fashion industry for decades.

Soothing colors + natural materials.

WE LOVE THE MIX OF OUR SMOKED
BARNWOOD FINISH AND RELAXED
NATURAL LINEN. THE QUIET TONES
