BOSSA NOVA COLLECTION

BOSSA NOVA

While Marge Carson respectfully pays tribute to the past we are ever mindful of the present as well, as evidenced by the contemporary Bossa Nova Collection. Characterized by the signature element of the soft curved line this collection harmoniously laces together rosewood veneers, ebonized inlays, sculptural hand-fabricated metal and crystal accented hardware. Fanciful yet sophisticated, Bossa Nova achieves the perfect rhythm of

ROMANCE, ELEGANCE & STYLE.

Nothing defines the look better than an innovative accessory. LES MARCHES COLLECTION

LES MARCHES

Imagine strolling through a lovely Paris antique market on a beautiful Spring morning. Warmed by the first rays of sunshine and a rich café crème, you wander amidst rare books and precious porcelains. You admire a vintage Louis Vuitton trunk here and a period Louis XV chair there. Then you spot it—the treasure you weren't hunting, but couldn't go home without—a stunning hand carved chest that was meant to be yours. Welcome to Les Marches, beautifully handcrafted collection from Marge Carson that speaks with a distinctly French accent.

MARTINIQUE COLLECTION

Romance

Elegance

Style

Martinique

Inspired by the West Indies, the Martinique Collection is timelessly traditional yet casually elegant, rich in European heritage yet comfortable and relaxing.

These Old World style furnishings are reminiscent of the pieces owned by European merchants and plantation owners developing the tropics during the 19th and early 20th centuries.

Now, as then, natural and mixed materials are the hallmark of the collection. From lost wax casting of brass hardware to hand wrought ironwork, woven rattan to exotic veneers, every detail exemplifies the legacy of this era.

Yet, for all of its historical significance, the Martinique Collection is perfectly suited for this century and the sophisticated casual lifestyle of today.

MONTECITO BEDDING COLLECTION

Montecito Bedding Collection

The ultimate experience in luxury bedding, the Montecito Collection strikes a harmony between materials, textures and colors that dress up bedrooms and create an enchanting ambience ideal for the senses.

Couture fabrics and trims transform into custom configurations while distinctive details such as jeweled buttons, embroidery and hand-painted motifs add just the right touch to create a one-of-a-kind ensemble.

In addition to Queen, King and California King sizes, custom top sizes and drop lengths are also available, making the Montecito Collection the choice of discerning clientele around the globe.

While all Montecito Collection bedding packages have their own signature style—ranging from clean contemporary to rich traditional—they all have one thing in common: Each is the epitome of romance, elegance and style.
