ELEGANT SCROLL SHUFFLEBOARD

Enjoy the centuries-old game of shuffleboard at home on one of the finest tables available. The exceptionally handcrafted, 12' Scrolled Brass Shuffleboard Table pairs a superb playfield with elegant woodwork. The tournament-quality playing surface is crafted of 2.5" thick poplar solids and is coated with a high-quality, .5" thick polymer resin, creating a smooth and consistent wood surface over which the weights glide effortlessly. This superior surface resists warping, requires little maintenance, and has a lifetime warranty. The table also includes climate adjusters, which can be calibrated to keep the play surface slightly concave. The spectacular, furniture-grade cabinet is crafted of distressed fruitwood with a hand-applied, multi-step, cherry finish that has been gently rubbed to a rich patina. Its apron is inlaid with decorative, etched metal panels, and the interior walls and gutters are fully lined with shock- and noise-absorbing carpet. Sturdy, turned solid wood legs with levelers ensure an even and accurate game. Scoring is tracked with classic chrome and colored beads on an abacus rod.
