lillian's philosophy

Inspired by the history of Decorative Arts, Lillian creates new collections for her furniture and fabrics to reflect her signature point of view. With drama and a mastery of story telling, Lillian's lifestyle designs are coveted for their range of expression — from glamour to simplicity. Her trademark looks blend periods and styles. Her mission is always tempered to the creation of compelling and livable rooms, which answer to today's fashion and lifestyles.

upholstery

Great proportion and scale are the standard for Lillian August Upholstery. Silhouettes are fine tuned to perfect styles, ranging from classic English and French archival looks to dramatic Modern forms. With Lillian's signature fabric collection in perfect color harmonies, the line is designed for easy selection from glamour to casually elegant linen looks. Layering fabrics is Lillian's forte with her artistic sense of pattern and color.

Upholstery Seat Cushions

ULTRA-DOWN (standard) is a ultra-cell poly foam in a lofty jacket filled with 50% conjugated fiber mixed with a 50% blend of 10% down and 90% feathers. All components meet California Flame Retardant specifications.

SOFT SPRING DOWN is individually encapsulated coil springs attached to each other by four clips on top and bottom of each coil placed inside a Bio-Comfort foam box, then wrapped with a thick blanket of polyester in a down proof tick that has been sewn with channels to hold a 15% down 85% feather filling.

SUPREME DOWN is designed to provide plushness combined with support. This is accomplished by mixing a premium fiber with a 10% down and 90% small feathers. The ticking used is 100% cotton down proof which is sewn with multi diamonds to ensure the proper amount of filling in each area.

ECO PLUSH employs the latest in environmentally friendly technology. The Bio-Comfort foam core uses the highest amount of soy based products possible. The core is wrapped with corn cellulose base Ingeo fiber. The fiber wrapped foam is filled into a 100% cotton down proof ticking.

Upholstery Back Cushions

ULTRA DOWN back pillows are a combination of premium polyester fibers with feather down with a 50/50 blend in a cotton down proof ticking.

SUPREME DOWN back pillow is the most plush and Eco-friendly pillow possible. The tick is 100% cotton and the filling is 100% white goose down and feathers. The blend is 10% down and 90% feathers.

Custom Finish Options (To view a complete set of finishes, see pages 106-108)

Overview: LA Workshop reflects our customizable resource of domestic product. Each item is built here in America to our standards of design and construction. All items are available in any of our LA Workshop Custom Finish Options unless otherwise noted in the price list. LA Workshop designs are constructed primarily of ash solids and veneers. The natural beauty of the ash grain pattern will be visible under most finishes.

Hardware: Where hardware is shown on an item there is a choice of finish, Brass or Nickel. In addition to the primary wood finish or finishes specified, please be sure to also specify the hardware finish required.

Within this Finish selection there are three levels of finishes varying in application time and difficulty. The complexity of the finish is reflected in the terms Standard, Premium, and Artisan.

Combination Finishes: The two digit code for a combination finish is -00. This code should be followed with the two finishes desired and their application. The pricing for combination finishes are either at the Premium or Artisan Price as reflected in the price list by item.

Upholstery: ANTIQUE WALNUT is the SELECTED finish for all Lillian August upholstered pieces unless otherwise noted in the price list. It is the selected finish for all fully upholstered frames and will be applied to exposed wood special orders unless an alternate custom finish is specified.

Color Match Program: Choose a paint color from Benjamin Moore or Sherwin Williams and we will Color Match it to your custom order.

The suffix code for a Color Match item is –CM. Color Match items are priced at the Standard level. To Color Match an item, simply provide us with the Paint Company, Paint Name and Number, and attach a finish chip to your purchase order.
