LIVING ROOM

Salotti maestosi, che esaltano la naturale bellezza del legno massello, l'eccellenza dell'arte dell'intaglio e la preziosità dell'oro, dell'argento e del noir nelle loro più raffinate declinazioni.

Il valore progettuale degli arredi si arricchisce ed è reso ancor più emozionale dalla scelta dei tessuti.

Gli arredi Roberto Giovannini, sono ancora più speciali e unici per l'accurata e ricercata selezione delle stoffe che li vestono. Divani, poltrone, specchiere, lampadari, tavolini d'appoggio, accessori e consolle completano le proposte living Roberto Giovannini, per rivivere, in momenti di puro relax, le emozioni di un'aristocrazia sempre affascinante e in grado ancora oggi di dettare le tendenze dell'abitare.

Dignified living rooms, which exalt the natural beauty of solid wood, the excellence of the woodcarving art and the lavishness of gold, silver and the Noir (black) in all of their most refined variations.

The exquisite design of the furnishings is enhanced and made all the more exciting by the choice of the fabrics.

Roberto Giovannini furnishings are even more special and unique thanks to the precise and expert selection of the fabrics with which they are upholstered. Sofas, armchairs, dressing tables, chandeliers, side tables, accessories and console tables complete Roberto Giovannini's living room proposals for experiencing, in moments of pure relaxation, the emotions of an aristocracy which always holds a certain fascination and which is still capable of dictating décor fashion tendencies.

STUDIO

Roberto Giovannini veste di eleganza anche i momenti più riservati e dedicati al lavoro.

Gli ambienti propongono scrivanie, poltrone, librerie e complementi d'arredo appartenenti a stili e a epoche differenti, ma che hanno in comune la capacità di rendere lo spazio elegante e confortevole, andando oltre la sua funzione più formale. Le proposte Roberto Giovannini sono studiate e realizzate per esprimere al meglio il binomio bellezza classica e funzionalità.

Roberto Giovannini also has solutions of elegance for your more reserved moments dedicated to work.

Spaces proposing desks, armchairs, bookshelves and furnishing accessories belonging to different styles and epochs, but which unite in the ability to make the living space elegant and comfortable, going beyond its more formal function. Roberto Giovannini's proposals are designed and realised for the most sublime expression of where classic beauty and functionality go hand in hand.

SINGLE BEDROOM

Anche nella versione singola, la camera da letto Roberto Giovannini si trasforma in un'intima 'oasi' di relax e accoglienza. Anche qui, arredi e accessori dall'intaglio prezioso, dalle forme, stili, finiture e tessuti raffinati raccontano luoghi di autentica bellezza, capaci di esprimere quel senso di raffinato benessere che solamente il lusso delle forme classiche è in grado di esprimere.

Also in the single version, the bedroom by Roberto Giovannini is transformed into an intimate 'oasis' of relaxation and a welcoming embrace. Also here, furniture and accessories with precious carvings, with refined forms, styles and finishings and fabrics are an expression of spaces of authentic beauty, capable of conveying that sense of refined wellbeing which only the luxury of classic forms is capable of.
