NUOVE COLLEZIONI 2018

design Andrea Parisio

Trasversalità: da sempre, una delle parole chiave del catalogo Meridiani e, oggi, termine con cui indicare il fil rouge che abbraccia tutte le novità presentate dall'azienda al Salone del Mobile di Milano, coordinate dal designer e art director Andrea Parisio.

Trasversalità come capacità di generare un dialogo creativo accostando prodotti di collezioni diverse; come possibilità di personalizzazione ampia e sfaccettata; come sinonimo di libertà compositiva.

Trasversalità come punto fermo e must della filosofia progettuale Meridiani, dunque, che si ritrova in ciascuno dei prodotti presentati in anteprima al Salone: dal divano Harold alle poltroncine Nanì e Ida, dai tavolini Adrian e Leon al letto Cliff: elementi disponibili in diverse dimensioni, che per forme e soluzioni cromatiche possono essere personalizzati attingendo a un numero pressoché illimitato di materiali, finiture e tessuti e arricchiti da accessori funzionali e visivamente ricercati. Come sempre, Meridiani non impone un unico mood, non restringe gli orizzonti formali: la sua ricerca è volta a tracciare coordinate estetiche che non mirano all'uniformità stilistica ma, al contrario, permettono a ciascuno di esprimere compiutamente la propria personalità creativa.

NEW COLLECTIONS 2018

design Andrea Parisio

Versatility: a catchword for Meridiani since the beginning, it now indicates the 'fil rouge' embracing all the innovations coordinated by the designer and art director Andrea Parisio and presented by the company at the Salone del Mobile in Milan.

Versatility is the ability to generate a creative dialogue combining products from different collections; it is the possibility of a wide personalization, a synonym for compositional freedom.

Versatility is a fixed point and a 'must' of the Meridiani design philosophy, to be found in each of the products shown in preview at the Salone: from the Harold sofa to the Nanì and Ida armchairs, from the Adrian and Leon low tables to the Cliff bed. The pieces are available in different sizes; they can be personalized in shape and chromatic solutions, drawing on an almost unlimited number of materials, finishes and fabrics which can be enriched by functional and visually refined accessories.

As always, Meridiani does not impose a single mood, never restricting formal horizons: its research aims at tracing aesthetic coordinates that allow everyone to express their own creative personality.
