"ONE OF THE BEST THINGS TO COME OUT OF THIS 'NEW NORMAL' IS PEOPLE'S ATTENTION HAS BEEN REDIRECTED TOWARDS THEIR HOMES AND FAMILIES."

- GEORGE MOUSSA

I am happy to present to you our 2020/2021 Ambella Home Case Goods Catalog.

The year 2020 is certainly one that everyone is going to remember. Who could have ever imagined the events we have been witnessing? Even though there may be parts that we want to forget, it has left a lasting impression that will change the way we conduct our daily lives.

One of the best things to come out of this "new normal" is people's attention has been redirected towards their homes and families. People have been spending more time working from home, schooling their kids, and just hanging out and being more like a family. It has forced us all to pause in our very busy lives and reflect on how we live. People are wanting to refresh and change out the old for the new and make their homes more livable.

Our Case Goods when combined with our Upholstery, Bath & Mirrors offer the greatest opportunity for someone to refresh their home. Eclectic pieces are what we are known for and add that special item to the room which helps make it a focal point of attention. Combinations of metal, wood, marble, and great finishes, all come together to make that happen. It can make the difference between having an average room that looks like everyone else's, to a room that generates excitement and energy when people walk in.

Look for the paintbrush $\frac{1}{2}$ next to certain items which indicates that an item is available in our Custom Finish Program. Our Custom Finish Program equips a designer with endless possibilities of finish combinations enabling them to achieve any style desired for their special client.

The Ambella Home Lifestyle represents timeless beauty and we invite you to experience and enjoy it for many years to come.

We wish you the very best, always.

Personal Regards,

Juny Woum

DAUPHIN DINING CHAIR

In interiors, the quintessential French chair is the oval back dining room chair. Pictured in drawings, paintings, described in textbooks and fiction alike, this was the "it" chair of the 1700's. Our version is available with or without arms with a tight seat and upholstered back carved in detail in Beech. Fluted legs support a carved seat rail and oval back.
