Order and Symmetry

Pleasant geometric shapes.

Place for pleasure and leisure.

*These are the fundamental features
of the Italian garden.*

*Since the Renaissance era the Italian garden
model has become the synonym of the style,
majestic and immense beauty.*

WE HAVE ALWAYS CONSIDERED OURSELVES TO BE DREAMERS.

IF OTHERS CAN PERCEIVE ONLY A SIMPLE LINE, WE HAVE BEEN ALWAYS ABLE TO DISTINGUISH THE ART IN IT.

THE PURE ART THAT IS MADE OF PAYING ALL THE ATTENTION TO EACH SMALL DETAIL, ALONG WITH THE BEAUTY.

THE BEAUTY THAT IS BORN OF GATHERING CURIOSITY AND IMAGINATION.

ART IS OUR METHOD TO CREATIONS, THE DETAILS ARE ABLE TO TRANSFORM THE IDEAS INTO A DRAWING,
AND THE DRAWING INTO A PIECE OF ART.

THE EMOTION OF ALL OF THAT TOGETHER GIVE US THE STRENGTH TO GO ON.

D I N I N G R O O M

*Splendid villas rich in history and art,
parks and gardens full of colours and
charm of the olden years.
Enchanting places that stand up proudly
on the shores of Lake Como.*

D I N I N G R O O M

*Charming and poetic place developed
thanks to its central position
in the bank of Lake Como,
along the road that the Romans
opened in the
59 B.C, from NOVUM COMUN
towards the Alps.*

L U X U R Y H O M E F U R N I T U R E

*Tremezzo,
places of evocative beauty on the most
precious shore of Lake Como.*

L A R I U S

*The details can transform a drawing
into a great piece of art.*

L I V I N G R O O M

*Villas with fascinating history to be told,
their windows open
on the beauty of the lake.*

*The Regina Road on the Lake Como
looks like a theatre scenery,
where nature and art
reflect on the water a
thousand and shades of colour.*

L I V I N G R O O M

*The luxurious internal decorations
which open up for the beauty of the lake,
near the Italian gardens that describe
these emotions.*

Art meets nature.

*This is how our Volesio collection
was born, with its incredible beauty
and elegance.*

*Light blue and gold,
like reflections of the lake when
the sun rises in the morning.*

LUXURY HOME FURNITURE

*Riviera of Tremezzina.
Here the depth of the lake blends
with the surrounding environment,
creating innumerable shades
in its reverberation.*

LUXURY HOME FURNITURE

BEDROOM

*Around the XVI century began a period of prosperity,
with the construction of some of the most beautiful
and luxurious palaces, which still exist nowadays.*

*These buildings all belonged to wealthy European families,
and were built along a road which was later named “ Regina”,
due to their importance.*

The French Revolution and the Napoleonic War led to the decline of many of these families and the passage of these palaces to the rich Milanese Lords, who had used them as their country residences.

The uniqueness of the places meets art.

*The task of art is to go further
and express its unique being.*

L A R I U S

*Each detail is as important as an essential.
Which constitutes perfection
is never to be considered as just a detail.*

*Many writers have chosen Lake Como
to be the set for their works. As well,
many musicians have founded their inspiration there,
also many painters used the lake as a background.
An elegant picturesque place to transform ideas
into artworks.*

*Magical glimpses of a fascinating charm
Lake Como is an enchantment
that never cease to attract the attentions.*

*living and experience it,
will leave you more attracted to it
and it becomes impossible to give it up.*
