Guardare è già di per sé un atto creativo,
affermava Henry Matisse. Ed è proprio “guardare”
la parola chiave di questo catalogo Twils.
Guardare con attenzione e spontaneità,
lasciandoci guidare dalle emozioni e dall’istinto.
Guardare le linee che si rincorrono, i dettagli preziosi,
l’espressività dei colori, delle forme e della luce.
Guardare significa capire, condividere, amare.

Henry Matisse believed that merely looking
was a creative act. And “looking” is the key
word for this Twils catalogue. Looking closely
and spontaneously, letting ourselves be guided
by our emotions and instinct. Looking at the
flowing lines, the bespoke details, the expressive
nature of the colours, shapes and light.
Looking means understanding, sharing, loving.

Il progetto di Sail è basato su un’estetica tanto rigorosa nelle proporzioni quanto delicata allo sguardo. Il profilo affilato della testiera si apre sull’ambiente e sembra disegnato con un unico tratto deciso, come una vela spiegata che taglia l’orizzonte.

The concept of the Sail bed combines essential proportions with an equally graceful appearance. The sleek profile of the headboard opens up into the room and looks as if it has been drawn with a single fine line, like an unfurled sail racing across the horizon.

Non si può raggiungere l’alba senza passare dai sentieri della notte.

One may not reach the dawn by the path of the night.

Khalil Gibran

La testiera di proporzione over, morbidamente inarcata e leggermente più ampia del giroletto, sembra fluttuare nell'ambiente. Il dettaglio fashion delle cerniere a vista accentua l'eleganza del profilo. Sail ha un'indole misurata e composta, sottolineata dai contorni morbidamente arrotondati del giroletto.

The over-sized headboard which gently arches backwards is slightly wider than the bedstead and appears to float in the space. The fashionable exposed zips enhance the elegant profile. Sail has a restrained and composed manner, reiterated in the softly rounded edges of the bedstead.

I LOVE THE SILENT HOUR OF NIGHT

DREAM

Il giroletto basso, sorretto da agili piedini metallici, dona ulteriore slancio alla silhouette già snella di Sail. Il rivestimento in pelle rende più nitidi i contorni e più incisivo l'effetto del gioco di luci e ombre offerto dalla cucitura verticale che suddivide la testiera. Guardatelo: elegante, confortevole e razionale.

The low bedstead, standing on light metal feet, makes Sail's slender silhouette soar even higher. The leather upholstery gives the profile more definition and the light and shadow effects created by the vertical stitching down the middle of the headboard move impact. Look at it: elegant, comfortable and rational.

Posizionandolo a centro stanza, possiamo ammirare Sail da qualunque angolazione. Vista frontalmente, la testiera si chiude in una linea retta che non lascia presagire la sua curvatura: il design gioca con la nostra percezione, ci illude e ci sorprende. È l'eterno gioco della seduzione.

When positioned in the centre of the room, we can admire Sail from any angle. When seen from the front, the headboard ends with a straight line that gives no indication of its slope: the design plays with our perception, it misleads and surprises us. In an eternal game of seduction.

CARNABY

Design:

La Swinging London, lo stile mod e la pop art, i nuovi look colorati e innovativi: succedeva nei mitici anni '60, quando Mary Quant rivoluzionò per sempre la moda con la minigonna, espressione di una libertà orgogliosamente esibita. I sixties hanno conquistato anche Twils: ecco a voi Carnaby.

Swinging London, the Mod movement and Pop Art, brightly coloured and innovative looks: these were the legendary '60s when Mary Quant was revolutionising the face of fashion with her miniskirt, a symbol of proudly flaunted freedom. The Sixties have also influenced Twils: ladies and gentlemen, Carnaby.

THE BEST FREEDOM IS BEING YOURSELF

L’avvolgente testiera sembra disegnata
con un unico tratto curvilineo; l’insieme

che corre lungo tutto il perimetro.

It looks like the embracing headboard has

Il rivestimento asseconda le forme avvolgenti
e generose della testiera, le ricopre
come una seconda pelle e ne valorizza lo stile.
L'abito formale dona risalto alla proporzione
dei volumi e all'eleganza delle forme di Carnaby,
un letto tanto impeccabile quanto disinvolto.

The upholstery clings to the embracing

Its formal 'suit' draws attention to the

Lo stile di Carnaby è influenzato dal colore e dalla matericità del rivestimento, risultando più classico o più contemporaneo in base alla scelta effettuata. In ogni caso, rimane morbido d'aspetto per la quasi totale assenza di angoli acuti: sarà questo il motivo del suo charme?

The style of Carnaby is influenced by the colour and material chosen for the upholstery, becoming either classic or contemporary depending on the choice. Whatever the style however, the bed has a soft look as it is almost completely devoid of acute angles: is this what makes it so charming?

Secondo i dettami dell'International Style, la bellezza consiste nel rapporto diretto tra progetto e funzione, nelle caratteristiche dei materiali adottati e nell'eleganza della vista d'insieme. Creativity takes courage

James: un letto concepito in funzione dello spazio e della luce, caratterizzato dallo spessore e dall'accentuata inclinazione della testiera, che converge sul morbido giroletto privo di angoli al vivo. Quando il design trova l'equilibrio fra stile e forma il risultato ci incanta.

James has been designed to make the most of the space and light. The thick and distinctive slope of the headboard, its standout feature, merges with the soft bedstead without sharp corners. When design achieves a fine balance between style and shape, the result is magical.

LIFE IS A SUM OF ALL YOUR CHOICES

Nella vista frontale, il punto focale di James è l'alta testiera suddivisa in quattro soffici riquadri circondati da un'ampia cornice tessile. Un letto ideale per il posizionamento in centro stanza, dove può essere ammirato da ogni angolazione, indiscusso protagonista dell'ambiente.

When seen from the front, the focal point of James is the tall headboard divided into four soft sections surrounded by a large textile frame. When positioned in the centre of the room, where it can be admired from all angles, it becomes the undisputed protagonist.

DREAM YOUR LIFE IN COLORS

Scriviamo parole ed esprimiamo concetti,
ma è lo sguardo a raccontarci un letto Twils.
Lo sguardo rivela il design esclusivo, la perizia

We write words and express concepts, but it's only when we look at a Twils bed that we can appreciate it. Le peculiarità di Academy Piuma vengono valorizzate dai tessuti di rivestimento morbidi e materici, che ne addolciscono ulteriormente la forma soffice e destrutturata. Un esercizio di perizia sartoriale, a suo agio sia in ambienti d'impronta classica che contemporanea.

Allo sguardo piace l’alternanza

Rational, elegant, down-to-earth.

L'alto giroletto ha una spiccata valenza estetica e anche funzionale: può infatti accogliere un ampio e capiente box contenitore, dove custodire coperte, cuscini, piumoni, biancheria e tutto quello che è comodo avere a disposizione.
Più spazio per le cose, più comfort per te.

The high bedstead has a strong aesthetic and functional appeal because it can be fitted with a large, spacious storage container where you can keep covers, cushions, quilts, bed linen and everything you need to hand.
More room for your things, more comfort for you.

L'eleganza deriva dalla giusta combinazione
di decoro, spontaneità, cura e semplicità.
Dall'equilibrio delle proporzioni, dalla capacità
di suscitare emozione e sorpresa.
Imparando a guardare si impara
a riconoscere la vera eleganza, sempre.
