

Feel Color

SHE'S A RAINBOW

She comes in colors everywhere;
She combs her hair
She's like a rainbow
Coming, colors in the air
Oh, everywhere
She comes in colors

Have you seen her dressed in blue?
See the sky in front of you
And her face is like a sail
Speck of white so fair and pale
Have you seen a lady fairer?

Have you seen her all in gold?
Like a queen in days of old
She shoots her colors all around
Like a sunset going down
Have you seen a lady fairer?
