Prophilo è il nuovo modo di pensare l'ambiente che reinventa lo spazio attraverso infinite combinazioni di forme e prospettive. Le atmosfere rarefatte di Prophilo, immerse tra realtà e sogno, raccontano la sofisticata filosofia italiana della sartoria d'eccellenza, capace di creare arredamenti unici, pensati in ogni dettaglio. Prophilo, un nuovo mondo di infinite possibilità / *Prophilo is the new way of thinking about the interior that reinvents the space through infinity kind of shapes and prospective combinations. Prophilo's rarefied atmospheres tell about the philosophy of sophisticated Italian excellent design, between reality and dream in order to create unique furniture studied in every single detail. Prophilo, a world of infinity possibilities.*

Dinamismo ed eleganza trovano in Prophilo un punto d'incontro inaspettato e sorprendente, con abbinamenti tra classico e contemporaneo che si accordano armonicamente per dar vita ad uno stile riconoscibile e senza tempo.

Dynamism and elegance find with Prophilo a surprising and unexpected point of convergence with classic and contemporary combinations which are well combined together creating a recognizable and everlasting style.

Le tendenze più innovative ed internazionali trovano il loro posto nelle collezioni Prophilo, realizzate ancora con i modi dell'antico sapere, patrimonio della famiglia Corti e di un territorio depositario di un'arte mobiliare unica, noto in tutto il mondo per aver saputo coniugare l'intraprendenza dello spirito imprenditoriale con la raffinatezza dell'artigianalità italiana più nobile, la Brianza.

The most innovated and international tendencies find their place into Prophilo's collections which are still realized according not only to the heritage of the Corti family but also to the heritage of Brianza, a territory which is the depositary of a unique furniture art, well known around the world for having combined the initiative of business spirit with the refinement of the nobler Italian artisan.

Il rigore essenziale della geometria aurea si sposa con l'eclettica potenzialità dei giochi di linee, che si moltiplicano senza fine a creare realtà multiformi e cangianti, in cui il vero protagonista torna ed essere l'uomo che guarda e vive l'ambiente che lo circonda.

The essential rigor of geometry is combined with the eclectic potential of lines effects which multiply themselves creating different multiform and various realities in which the real main character is the individual who looks and lives the surrounding interior.

Le collezioni Prophilo raccontano la magia di un percorso creativo che si muove alla ricerca di un'esperienza estetica unica, dove le influenze dell'architettura dell'inizio del XX secolo, della cultura europea e della scuola ebanistica italiana sanno offrire suggestioni ogni volta nuove.

Prophilo's collections tell about the magic of a creative path that looks for a unique aesthetic experience in which the influences of the beginning of the XX century architecture, European culture and the ebony Italian School know how to offer each time new suggestions.

Prophilo, una proposta senza tempo, sospesa tra design e tradizione, tra architettura e arte / *Prophilo, a timeless proposal between design and tradition, architecture and art.*

ELEGANCE

LE CORBUSIER

Essere moderni non è una moda, è uno stato.
Bisogna capire la storia e chi la comprende sa
come trovare la continuità tra ciò che è, che era
e che sarà / *To be modern is not a fashion, it is a
state. It is necessary to understand history, and
he who understands history knows how to find
continuity between that which was, that which is,
and that which will be.*

Studio zona dining / Study of dining room.

Un'idea che diventa un disegno a mano. Un disegno che diventa un oggetto d'arredo unico e irripetibile, realizzato con la maestria di un sapere che gli artigiani Prophilo conservano da anni.

Così nasce un progetto Prophilo, pensato in ogni sua parte per racchiudere il massimo dell'estetica e della funzionalità. Una ricerca attraverso i sensi, i colori, le forme, dove le sensibilità di Alberto Corti e Cristina Maggiolo si rivelano capaci di tradurre in una vibrante emozione un complesso mondo di suggestioni, influenze e ispirazioni, grazie all'incanto di un gusto elegante e raffinato.

Una modernità fatta di storia. È questa la vocazione dei designer Prophilo, che sanno progettare il futuro con lo sguardo sicuro di chi conosce il proprio passato.

An idea that becomes an handmade drawing. A drawing that becomes a rare and unique piece of furniture realized with the craftsmanship that Prophilo's artisans preserve for many years.

In this way a project created by Prophilo comes to life. It's studied in every single detail in order to enclose the maximum of aesthetic and functionality. A research through senses, colors and shapes in which Alberto Corti and Cristina Maggiolo's sensibilities reveal themselves translating a complex world of suggestions, influences and inspirations into a vibrant emotion, thanks to the enchantment of elegant and refined taste.

A modernity made by history. This is the Prophilo's designers vocation. They are able to design the future with the knowledge of those who well know their own past.

La ricerca dei materiali ha per i designer Prophilo un valore irrinunciabile.

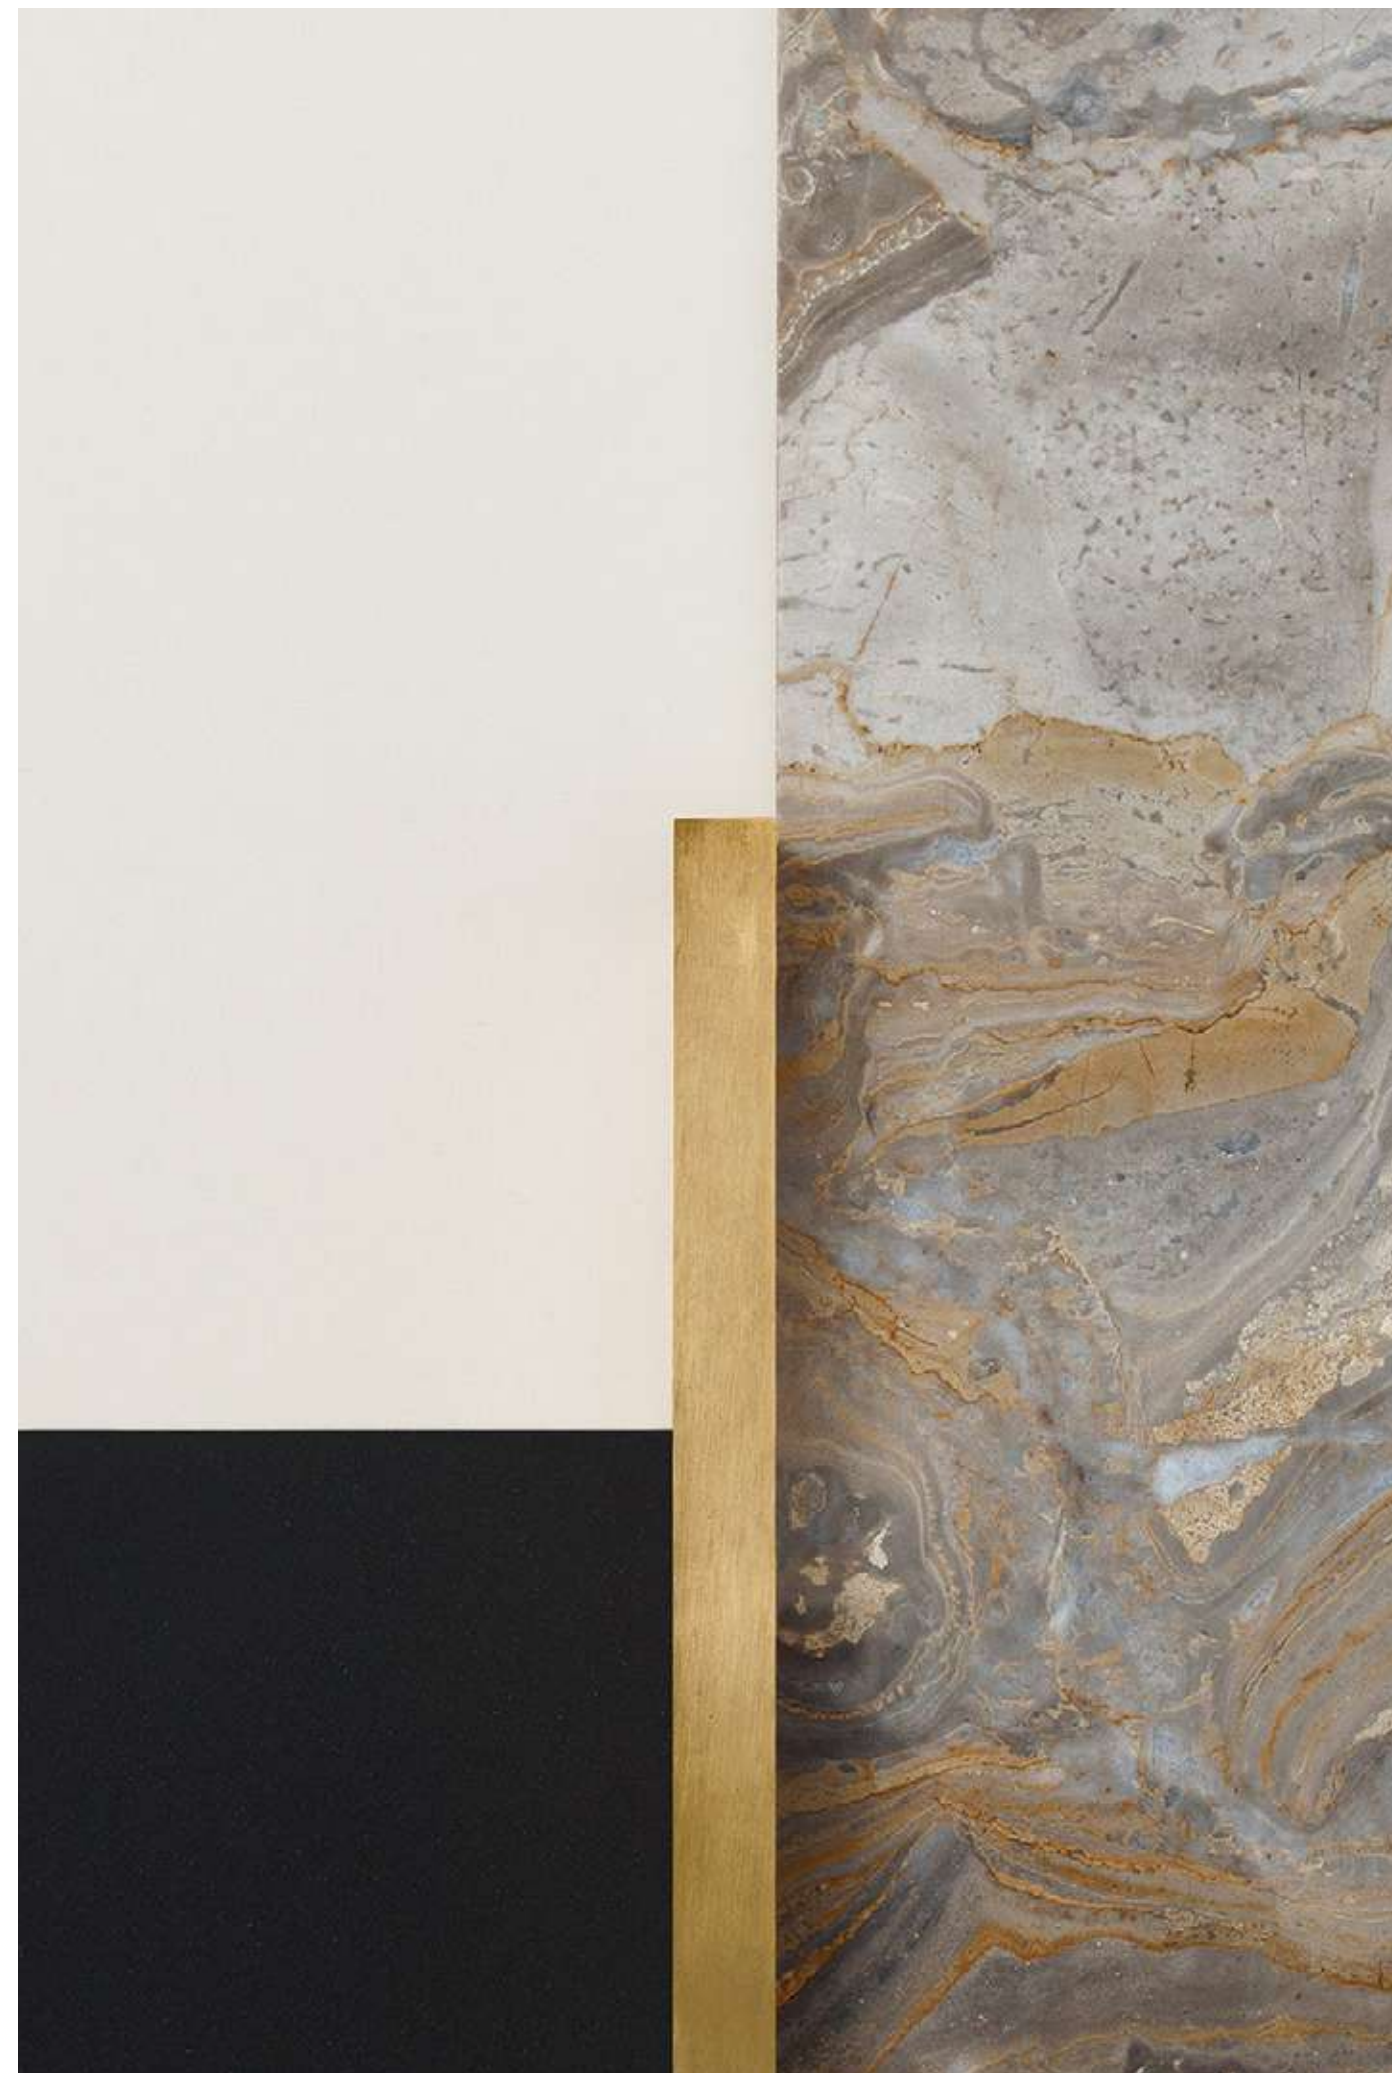

Gli audaci accostamenti materici regalano agli ambienti un carattere forte e riconoscibile, in cui le istanze conservatrici trovano il loro posto accanto alle esigenze di innovazione, conservando una sorprendente coerenza di insieme, come ciascuna delle pennellate che compongono il quadro di un grande artista.

Metalli, pietre, vetri, legni e tessuti preziosi si combinano inaspettatamente, donando esperienze visive e sensoriali che sanno trasmettere tutta la passione di Prophilo per la ricerca dell'equilibrio perfetto.

The material research is a fundamental factor for Prophilo's designers.

The daring material combinations give to interiors a strong and recognizable character. The conservative requests find their place close to the need of innovation, preserving an unexpected coherence, as each brush stroke composing a paint of a great artist.

Metals, stones, glass, woods and precious fabrics are unexpectedly combined together giving visible and sensorial experiences which can instill all Prophilo's passion for the research of the perfect balance.

PROPHILO

Un'arte pienamente italiana, che muove i suoi passi
tra genialità e tradizione, tra regola ed eccezione / *A
full Italian art that makes its moves between geniality
and tradition, rule and exception.*

L'amore per un gesto che racchiude in sé tutta la storia dell'artigianalità italiana. Le creazioni Prophilo rifiutano il ripetersi meccanico di creazioni senza anima, per far vivere passato e presente in un unico oggetto, fatto a mano e per questo irripetibile.

Un'arte fatta di mestiere, che non si trova nelle accademie, ma nelle mani sapienti degli intagliatori e degli intarsiatori, nella sartoria preziosa degli imbottiti, nelle lavorazioni antiche del legno, della pietra e dei metalli.

р. 57
Идея отображается в наброске, который впоследствии становится уникальным и неповторимым предметом мебели,выполненный искусными мастерами, сохранившими многолетний опыт прошлого . Таким образом, рождается проект Prophilo - максимум эстетики и функциональности. Prophilo是家装内饰的新思路，通过无限的形状类型和可能的组合形式彻底改造空间。Prophilo纯净的氛围展示了精致的意大利式优秀设计的哲学理念，在梦想与现实之间，为创造出独一无二的家具而精雕细琢每一处细节。Prophilo，一个充满无限可能的世界。

p. 6
Prophilo的动感与优雅有着令人惊讶和意想不到的古典与当代相结合的交融特点，通过二者的完美融合，创造出一种清晰可辨又恒久的风格

p. 11
Prophilo系列最具创新性和国际性趋势，可以看出其不单依循着Corti家族的传统得以实现，还具有一种独特家具艺术的保存地——Brianza的传统，因为将商业精神的主动性与意大利工匠的精致高贵相融合而闻名世界。

p. 19
几何学的严谨性本质上结合了线条效果的折衷趋势，从而放大了彼此的效果，营造出不同的多样形式和各种现实，而真正的主角是看到和生活在周围装饰中的这个人。

p. 22
Prophilo系列阐释了创造性路线的魔力，在二十世纪初的建筑风格、欧洲文化和乌木意大利学派的影响下寻找一种独特的审美体验，每次都能从中得到灵感进而明白该提出怎样的新建议。

p. 33
Prophilo，设计与传统、建筑与艺术间永恒不变的追求。

p. 40
它是玻璃，木材，皮革及铜睿智的结合。它拥有个性很强的内部细节和不断寻求完美的处理技术。它是Prophilo创造出的最新产品。它体现着大胆与优雅！

p. 43
具有惊人可能性的模块结构，以一个意想不到的方式结合材料与框体

p. 44
大胆的颜色组合，通过对绚丽色彩的无限反射表达出铜色所有的可能性及珍贵性。

p. 49
基本几何线条的简单轻盈性创造出超越心灵的室内环境

p. 50
挑选出最珍贵的皮革的柔软部分是为了给一个卓越的，精致的室内家居一种独特的感觉

p. 55
现代化并不是时尚，而是一种状态。必须要了解历史，只有了解历史的人才知道如何找到其中昨天、今天与明天之间的连续性。

p. 57
想法落实为手工绘图。绘图通过Prophilo工匠的手艺被制作成为罕见而独特的家具，可以保存多年。Prophilo创造的项目以这样一种方式走进生活。每一处细节都精雕细琢，最大限度地实现家具的美感与实用性。通过感官、颜色和形状的研究，Alberto Corti的艺术鉴赏力揭示出其自身在优雅魅力和精致的品位的基调下将建议、影响和灵感的复杂语言转化成充满活力的情感。历史造就的现代性。这是Prophilo设计师的使命。他们有能力用熟知自身过去的知识设计未来。

p. 58
材料研究是Prophilo设计师的基本要素。大胆的材料组合让室内设计呈现出强烈、清晰可辨的特色。保守的要求贴近创新的要求，它们意外地保持着一致性，就像伟大艺术家的画作是由每一个笔触组成一样。金属、石料、玻璃、木材和珍贵面料的组合在一起意外地形成可见可感的体验，逐步体会Prophilo完美平衡研究的全部激情。

p. 115
真正的意大利艺术是游走在温和、传统、规则与例外之间的。

p. 117
对手工的爱，汇集了所有意大利工匠的生产故事。Prophilo的创造拒绝使用机械重复制作没有灵魂的作品，只为让过去与现在共存在一件独一无二的手工产品上。它是一件手工艺品，在学院里是看不到的，它只存在于聪慧的雕刻师和镶嵌者精巧的手中、珍贵的装饰设计中以及木材、石料和金属的做旧加工技术中。

p. 118
工匠明白要了解材料隐藏的秘密，对其加工和塑形，以此展示材料所有的特性。如此一来，木料的天然性就会给熟知其蜿蜒纹理的人带来不可估量的美，犹如最精致复杂的织物编织给装饰品带来的珍贵感一般。这是一种精细的感官练习，从视觉体验到触觉体验，金属的光线与地毯的色彩范围交相辉映，柔软的织物与坚硬石头加工表面彼此协调。

p. 121
每一件手工产品都是在手工艺实验室中遵循最严谨的品质控制完成的。每件产品都着力于创造完美的内饰项目，没有什么偶然出现的。控制、谨慎和细心。这就是Prophilo家具产品优秀元素的秘密。从选材到最终成品，每个生产步骤都倾注了Prophilo团队的激情与永存精神，只为生产出满足最高品质标准的独一无二的产品。

p. 122
家具领域Corti公司的传统改写了世代相传的故事。这个家族的传统承载着优秀家具的构思与创造，如今遇上当代现实，在Alberto Corti和他的妻子Cristina Maggiolo的基本方向引导下，他们没有抛弃过工匠艺术的经验。他们是设计师出身，有能力改写和发展最实际的激励措施，带着让每个产品都成为真实又独特的艺术品的全新视角和艺术鉴赏力，成就独一无二。
