UNIQUE AND ORIGINAL ITALIAN OIL PAINTING

CLASSIC & LUXURY

L'azienda Barj Buzzoni è stata fondata nel 1955 dalla signora Maria Barigazzi, professoressa di Belle arti nonché stimata artista e scenografa.

La sua grande passione, l'amore per l'arte e il valore di un antico artigianato si sono uniti alle capacità imprenditoriali dei due figli permettendo all'azienda di trasformarsi da piccola realtà locale in un affermato e riconosciuto punto di riferimento internazionale. Tutte le collezioni sono ancora ad oggi realizzate a mano e sono il frutto di due generazioni che hanno saputo rispettare e tramandare le più antiche tradizioni, prestando particolare attenzione alle nuove tendenze.

Gli originali procedimenti di preparazione delle tele, ripresi dagli antichi dettami dei Maestri del passato, conferiscono alle opere un invecchiamento pari a quello provocato dal naturale trascorrere del tempo.

Le crepature della tela, un tempo caratteristica esclusiva dei soli dipinti antichi, è ricreata, oggi, da mani esperte, che donano al dipinto ad olio un sapore antico, unico, rendendolo affascinante protagonista del contesto circostante.

Barj Buzzoni vanta una vasta collezione di opere, realizzate esclusivamente a mano da pittori italiani ed ispirate alle migliori scuole pittoriche, dal Cinquecento agli impressionisti. L'eleganza e il pregio di una opera firmata Barj Buzzoni è il risultato di un giusto abbinamento cromatico e stilistico con la cornice.

La vasta collezione di cornici, composta da pezzi unici di rara bellezza e da intagli pregiati realizzati da maestri ebanisti, conferiscono lustro e unicità al dipinto al quale sono accostate.

La doratura prevalentemente a foglia e a guazzo, quest'ultima somigliante per caratteristiche qualitative ed estetiche all'oro zecchino, sono completamente eseguire a mano.

Ogni opera è accompagnata da un certificato di autenticità che ne garantisce la provenienza, l'artigianalità e l'esclusivo made in Italy.

Chi sceglie Barj Buzzoni apprezza i dettagli, la qualità assoluta e la raffinatezza di una creazione senza tempo.

The **Barj Buzzoni** company was founded in 1955 by Maria Barigazzi, a Professor of Fine Arts as well as an esteemed artist and set designer.

Her great passion and love for art and ancient handicraft have been joined with the management skills of her two sons, allowing the company to transform itself from a small local business into an international reference point.

All the collections are still exclusively handmade and are the result of two generations who have succeeded in respecting and passing on the most antique traditions, with particular attention to new trends.

The exclusive procedures used to prepare the canvases following the dictates of the Old Masters, allow the works to age in a way similar to the one provoked by the natural passage of time.

The surface cracking of the canvases, once an exclusive characteristic of antique paintings, is today recreated by expert hands to give each oil painting a flavour of times gone by, and to transform it into a fascinating one-off centre-piece in any setting.

Barj Buzzoni can boast a wide collection of artworks, exclusively handmade by Italian painters and inspired by the best Schools of painting, from the sixteenth century to the Impressionists.

The elegance and value of a **Barj Buzzoni** artwork is the result of perfect chromatic and stylistic matching with the frame.

The wide collection of frames, which features unique pieces of rare beauty and exquisite inlay work from the hands of master cabinet-makers, can give prestige and uniqueness to the painting they surround.

The leaf-gilding, the use of “guazzo” gold, this one being a reproduction of the finest gold with all its aesthetic characteristics, is entirely handmade.

Each work comes with the Certificate of Authenticity which guarantees its origin, craftsmanship, and its exclusive “Made in Italy” trade-mark.

Those who choose **Barj Buzzoni's** collection can appreciate the details, the absolute quality and the elegance of a timeless creation.

Компания Бари Буццони была основана в 1955 году профессором Академии Изыщных Искусств, уважаемой артисткой и сценографом Марией Баригацци. Ее две большие страсти, любовь к искусству и увлечение древним ремеслом, умело воссоединились с предпринимательскими способностями двух сыновей, которые преобразовали маленькое предприятие в международный ориентир. Все предметы коллекции, сделанные вручную, и по сей день являются плодом двух поколений, проявивших большое уважение к традиции художественного ремесла, при этом, уделяя особое внимание новым тенденциям. Оригинальный метод и техника подготовки холстов позаимствованы из древних учений Мастеров далекого прошлого. Благодаря этой технике произведения с искусственным старением ничем не отличаются от произведений со старением, вызванным естественным течением времени. Однажды трещины на холсте являлись эксклюзивной характеристикой старинных живописных произведений, но сегодня умелые руки способны придать античность и неповторимость масляному творению, подчеркивая его уникальность в окружающей обстановке. Бари Буццони, владеет обширной коллекцией произведений искусства, сделанных вручную итальянскими художниками, вдохновленными лучшими художественными школами, от шестнадцатого века до импрессионизма. Элегантное и престижное произведение искусства Бари Буццони, это результат правильного стилистического сочетания с рамкой. Огромная коллекция рамок, состоящих из уникальных произведений редкой красоты с ценной резьбой, выполненной мастерами краснодеревщиками, наделяют произведение престижем и неповторимостью. Позолота листовой потали или с использованием гульфарба по качественным характеристикам напоминает чистое золото, поэтому вся процедура нанесения выполняется только вручную. Каждая работа сопровождается сертификатом подлинности, который гарантирует происхождение, мастерство и эксклюзивность изготовления этого произведения в Италии. Кто выбирает Бари Буццони, ценит детали, высокое качество и изысканность произведений искусства не подверженных времени.

Barj Buzzoni 公司由身为美术教授和备受尊敬的艺术家兼剧作家的 Maria Barigazzi 女士于 1955 年创办。

她对艺术的热爱和传统手工艺人的价值与她两个儿子的企业家的才能融会在了一起，从而使得公司由最初的小作坊成为了现在具有国际化规模的公司。

如今,所有的作品系列仍然是手工制作并且是两代人的努力成果。在关注最新流行趋势的同时,他们也懂得如何尊重并延续古老的传统。

具有独创性的布料制备过程，遵循大师的古法指点，给予了作品旧化过程，营造出像是因时间的推移所出现的自然的效果。

古代绘画特有时代特征的带裂纹的画布，如今也可经专家之手重现，以此给油画增添了古老而又独一无二的气息，使之成为装饰环境中迷人的主角。

Barj Buzzoni 拥有各式各样的作品系列并引以为豪，所有作品都是由意大利画家手工制作，灵感来源于备受推崇的绘画流派，从十六世纪的绘画到印象派绘画。

Barj Buzzoni 作品所体现的优雅和质感来自于颜色，风格和画框之间的和谐搭配。

种类繁多的画框系列中，由木工大师精心雕刻而成的整体式的结构彰显罕见的美丽，完美呈现了所搭配的画作的光泽感和独特性。上金色的方法主要采用包金和镀金，就特征而言，后者的质量和外观都类似纯金，并且完全是手工制作。每一件作品都附有正品证书，以此来保证作品的来源、工艺制作完全为意大利制造。

选择了 **Barj Buzzoni** 的人崇尚细节和品质，以及一件永恒的创作中所流露的精工细作。
