OUR SECRET NUESTRO SECRETO

We have been producing handles since 1998, following excellence criteria in all our production phases with creative designs defying time. We are a team of young and proactive professionals that with positive and clear vision, and coherence to present times are eager to thrive looking to the future.

Only this way we manage to remind our customers that handles are not ordinary objects, but a harmonic way in which our hands connect with our homes..

Desde 1998 producimos manillas siguiendo criterios de excelencia en todas las fases de producción utilizando la creatividad, produciendo diseños que desafían al tiempo. Ideas claras, visión positiva, irrenunciable afán de superación, es lo que atesora nuestro equipo de profesionales jóvenes y activos, coherentes con la realidad pero siempre mirando al futuro.

Solo con esta sinergia conseguimos hacer recordar que la manilla no es un objeto banal sino la forma armónica con la que conecta nuestra mano con el hogar.

INSTALLATION INSTRUCTIONS

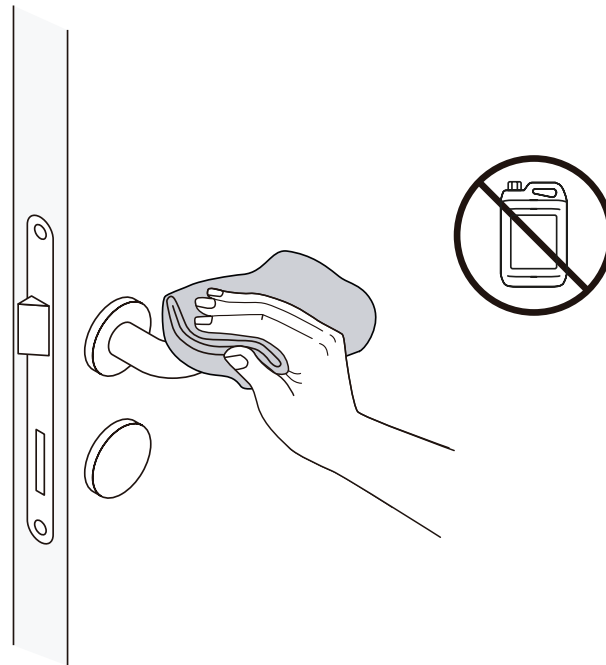

INSTRUCCIONES DE MONTAJE

1. Insert the spindle (1) in the lock. Follow position shown on fig.B relative to the allen screw (9).
2. Place the inner ring (2) in the right position fig.A. The flap (2a) must point to the ground.
3. Use the plastic piece (3) to centre the inner ring (fig.C).
4. Screw the inner ring with the supplied screws (4).
5. (Optional) Use the through bolt screws (5) as shown in fig.A. Hole (5a) for male and (5b) for female.
6. Remove the plastic piece used to centre the inner rose.
7. Adjust the rose (6). The notch (6a) must be inserted on the flap (2a).
8. Insert the plastic ring (7) -fig.D- in the door handle neck to avoid any scratch when operating.
9. Place the door handle (8) and fix it to the spindle(fig.B) with the allen screw (9).

1. Introducir el cuadradillo (1) en la cerradura según posición de la fig.B respecto al tornillo allen (9).
2. Colocar el interno (2) en la posición de la fig.A. La muesca (2a) debe apuntar al suelo.
3. Usar la pieza plástica (3) para centrar el interno (fig.C).
4. Atornillar el interno con los tornillos suministrados (4).
5. (Opcional) Colocar los tornillos pasantes (5) según figura fig.A. Agujero (5a) macho y (5b) hembra.
6. Quitar la pieza plástica usada para centrar la roseta.
7. Colocar la roseta (6). Debe encajar el rebaje (6a) con la pestaña (2a).
8. Insertar la arandela de plástico (7) -fig.D- en el cuello de la manilla para evitar roces al accionar.
9. Colocar la manilla (8) y fijarla al eje (fig.B) con el tornillo allen (9).

MAINTENANCE MANTENIMIENTO

Clean with a dry cloth.
Do not use brass cleaner
as it might affect the protective coating.

Note: Handles vary by style
but maintenance is the same for all of them.

*Limpiar con un paño seco.
No usar productos químicos o abrasivos,
pueden dañar la capa protectora.*

*Nota: Los modelos pueden variar
pero no así el mantenimiento.*

THANK YOU
GRACIAS
