FIL ROUGE

Fil Rouge è il nome della nuova collezione 2019 di Roberto Giovannini, una collezione che trova nel nome la sua forza espressiva.

Fil Rouge nasce dall'attitudine, eccezionale, del Maestro Roberto Giovannini di saper interpretare e reinventare il pensiero classico restando fedele alle proporzioni e ai canoni estetici della bellezza classica.

Fil Rouge si presenta, quindi, come una 'raccolta' di immagini stupefacenti, un susseguirsi di ambienti d'autore di straordinaria bellezza che continuano a raccontare la filosofia estetica e concettuale di Roberto Giovannini e le emozioni che trasmette con le sue creazioni.

Ambientazioni diverse, luoghi ideali dove poter vivere l'esperienza Roberto Giovannini, accolgono arredi classici differenti per stile, finiture, decori, materiali e tessuti, uniti dal Fil Rouge dell'eleganza, del gusto e del lusso, capaci di generare una straordinaria e raffinata 'coerenza' d'insieme.

Fil Rouge is the name of Roberto Giovannini's new 2019 collection; a name which reflects its expressiveness.

Fil Rouge is born from the Master Roberto Giovannini's exceptional aptitude of knowing how to reinterpret the classic mindset whilst remaining faithful to the proportions and the aesthetic norms of the classic style.

Fil Rouge presents itself, thus, as a 'collection' of breathtaking images, a procession of extraordinarily beautiful elite interiors which continue to express Roberto Giovannini's aesthetic and conceptual philosophy and the emotions which are transmitted by his creations.

Different settings, ideal places for living the Roberto Giovannini experience, host different types of classic furnishings: different in style, finishings, decorations, materials and fabrics and united by the Fil Rouge of elegance, good taste and sophistication capable of generating an extraordinary and refined 'coherence' of togetherness.
