COLEFAX AND FOWLER

ASHDOWN WALLPAPERS

Front and back cover
Wallpaper: SERAPHINA, BELLFLOWER, LILIANA, ROUSSILLON, ARDEN, TOILE CHINOISE

ASHDOWN WALLPAPERS

Ashdown Wallpapers draws upon Colefax and Fowlers richly layered historical heritage and celebrates it with an enticing mixture of beautifully coloured florals and chinois inspired conversationals.

The companion collection to Ashdown prints and embroideries, this collection is a wide ranging decorative book that features a compendium of classical and contemporary designs. New interpretations of enduring favourites such as Fuchsia feature alongside large-scale panel style designs and smaller scale, all over patterns.
