SHAPES
OUTDOOR

When our ceiling is the sky and our walls the horizon,
the domestic dimension stretches towards infinity;
that's when SHAPES takes form and finds in the new
OUTDOOR collection the possibility of expanding living
spaces beyond your home. A wide range of new elements
inspires us to imagine sensations that blend with new
environments: sunshine, fresh scents and the delicate
sounds of nature come together in a wonderful show thanks
to the features of SHAPES.

*Nature is not a place to visit.
It is home.*

Gary Snyder
