# Arrediamo gli spazi del vivere creando emozioni

Horm propone uno stile “contemporary design” dove convivono influenze globali, reinterpretate dalla cultura, dalla passione e dall’artigianalità del Made in Italy. La collezione è dedicata a un pubblico adulto, colto e consapevole, che vuole conferire ai suoi ambienti un carattere esclusivo e raffinato, coniugando estetica, funzionalità e pregio dei materiali.

La filosofia creativa del brand si definisce nella vision aziendale: arredare gli spazi del vivere creando emozioni. Horm si contraddistingue per la capacità di far convivere linee eleganti ed elementi di stupore che trasformano gli ambienti per farli diventare espressione di chi li vive. Così anche le illustrazioni, che accompagnano la lettura di questo catalogo, curate dallo Studio Rok, raccontano con un tocco di romanticismo una modernità incantata, ambienti e situazioni per storie fuori dall’ordinario, pillole di magia nella realtà di tutti i giorni.

Marmi e legni pregiati, giochi di opachi e lucidi, pietre naturali e materiali innovativi, uniti alla morbidezza del tessile e a un mix di pellami dai colori sofisticati sono i principali materiali usati per creare mobili capaci di distinguersi e di interpretare bisogni e desideri.

La collezione Horm è l'esaltazione della migliore artigianalità italiana. Ogni prodotto è realizzato con una manualità antica che pone in ogni gesto passione ed esperienza tramandate di generazione in generazione.

Maestri ebanisti che plasmano il legno nei modi più diversi ed esaltanti e tappezzieri che realizzano abiti sartoriali intorno ai nostri divani, mettono le proprie competenze al servizio di architetti e designer di fama internazionale, rivelandosi partner ideali in grado di dare forma alle idee dei creativi.

Idee che da oltre 30 anni sono premiate dalla critica con un ricco palmares di premi internazionali e dal mercato con una rete distributiva di oltre 700 rivenditori in 82 paesi del mondo.

## We furnish living spaces by creating emotions

Horm proposes a "contemporary design" style where global influences coexist, reinterpreted by Made in Italy culture, passion and craftsmanship. The collection is dedicated to knowledgeable, sophisticated, and discerning users who want to endow their environments with an exclusive and refined character, combining aesthetics, functionality and high-quality materials.

A solid corporate vision defines the brand's creative ethos: furnishing living spaces by creating emotions. Horm is distinguished by its ability to combine elegant lines and elements of wonder that transform environments – they become an expression of whoever lives in them. The illustrations in this catalogue narrate an enchanted modernity with a touch of romanticism; occasions and ambience for stories that transcend the ordinary, and nuggets of magic in everyday reality.

Marble and precious woods, plays of matte and gloss, natural stone and innovative materials combined with the softness of fabrics, and sophisticated color-texture leather combinations – these are the primary materials used to create distinctive furniture that interprets needs and desires.

The Horm collection – the epitome of the finest Italian craftsmanship. Each item is fashioned with ancient craftsmanship that imbues each gesture with passion and experience, handed down over generations. With our master cabinet-makers who shape wood in the most diverse and exciting ways and upholsterers who shroud our sofas with exquisite coverings of sartorial taste, the skills of our master craftsmen at the service of internationally renowned architects and designers underpin an ideal partnership in creativity that materializes wondrous ideas.

Ideas that for over 30 years have been lauded by critics with a rich collection of international awards and by the market served with a distribution network of over 700 dealers in 82 countries worldwide.

## Amueblamos los espacios habitables creando emociones

Horm propone un estilo de "diseño contemporáneo" en el que conviven influencias de todo el mundo, reinterpretadas por la cultura, la pasión y la artesanía del Made in Italy. La colección está dedicada a un público adulto, culto y con conocimiento, que quiere dar a sus ambientes un carácter exclusivo y refinado, combinando estética, funcionalidad y materiales de la más alta calidad.

La filosofía creativa de la marca se define perfectamente en la visión corporativa: amueblar espacios para vivir creando emociones. Horm destaca por su capacidad de combinar líneas elegantes y elementos fascinantes que transforman los ambientes, convirtiéndolos en la expresión de quienes los habitan. De la misma manera, las ilustraciones que se incluyen en este catálogo, cuentan con un toque de romanticismo dentro de una mágica modernidad, ambientes y situaciones para historias fuera de lo común, píldoras de magia en la realidad cotidiana.

Mármoles y maderas nobles, juegos de mates y brillos, piedras naturales y materiales innovadores, unidos a la suavidad y calidez de los textiles y a una paleta de colores increíbles e innovadores para las pieles, son los principales materiales utilizados para crear muebles únicos y distintos en grado de interpretar las necesidades y los deseos.

La colección Horm es la exaltación de la mejor artesanía italiana. Cada producto se elabora de la misma forma en la que se ha hecho a lo largo de los años en la artesanía tradicional italiana que pone en cada gesto la pasión y la experiencia transmitida de generación en generación. Maestros ebanistas que dan forma a la madera de las maneras más diversas y exultantes, tapiceros que confeccionan trajes a medida para cada uno de nuestros sofás, todos ellos ponen sus habilidades al servicio de arquitectos y diseñadores de renombre internacional, demostrando ser los socios ideales, capaces de dar forma a las ideas de los creativos.

Ideas que durante más de 30 años han sido recompensadas por la crítica con un rico palmarés de premios internacionales y por el mercado con una red distributiva de más de 700 distribuidores en 82 países del mundo.

## Nous aménageons les espaces de vie en créant des émotions

Horm propose un style «design contemporain» où coexistent des influences mondiales, réinterprétées par la culture, la passion et le savoir-faire du Made in Italy. La collection est dédiée à un public adulte, cultivé et conscient, qui souhaite conférer à ses espaces un caractère exclusif et raffiné, alliant esthétique, fonctionnalité et qualité des matériaux.

La philosophie créative de la marque se définit dans sa vision d'entreprise : meubler les espaces de vie en créant des émotions. Horm se distingue par sa capacité à combiner des lignes élégantes et des éléments d'émerveillement, qui transforment les environnements pour qu'ils deviennent l'expression des personnes qui y vivent. De même, les illustrations qui accompagnent la lecture de ce catalogue racontent avec une touche de romantisme une modernité enchantée, des espaces et des situations pour créer des histoires hors du commun, des pilules magiques pour émerveiller la réalité du quotidien.

Les marbres et bois précieux, les jeux de mat et de brillant, les pierres naturelles et matériaux innovants, associés à la douceur des textiles et à un mélange de cuirs aux couleurs sophistiquées sont les principaux éléments utilisés pour créer des meubles qui se distinguent et interprètent les besoins et les désirs.

La collection Horm est l'exaltation du meilleur de l'artisanat italien. Chaque produit est fabriqué selon un savoir-faire ancien, conférant dans chaque geste la passion et l'expérience transmises de génération en génération. Les maîtres ébénistes qui façonnent le bois de manière les plus diverses et les plus passionnantes, ainsi que les tapissiers qui confectionnent des étoffes sur mesure pour nos canapés, mettent leurs compétences au service d'architectes et de designers de renommée internationale, se révélant ainsi des partenaires idéaux, capables de donner forme aux idées des créateurs.

Des idées qui, depuis plus de 30 ans, sont récompensées par la critique avec un riche palmarès de prix internationaux et par le marché avec un réseau de distribution de plus de 700 revendeurs dans 82 pays du monde.
