

2023

New models come into market

Simple. Spectacular.

Mito volo reinterprets the idea of suspended luminaires in a completely new way. Radically linear, crafted down to the very last detail, continuously height adjustable, powerfully illuminating up- and downlight, intuitively controlled by gestures or an app – Mito volo is designed to create the perfect light for any situation and you can fully enjoy the atmosphere, the space and the moment.

COMFORT

Cochio is as gentle as the spring breeze and as moist as the rain. It embraces the tranquility and comfort of resting at home.

The crystallization of inspiration and creativity deduces the connotation of modern beauty with a sculptural appearance

ARTING

There was no light before that
There is no savage love after this
Human civilization has gone from
black to white in vain
Towards the gentle and quiet pulse
of warmth

Check the wisdom of people and decorate their lives

COMPANY

365 days of daily company 24 hours a day Gorgeous eternal love My thoughts will never fade

Music and words can touch people's hearts The charm of wood is It can get into your heart without doing anything

NATURE

Leisure is to life, It needs nature and beauty that can be reached by tentacles.

Happiness is better than having fireworks in the kitchen,

And home also has temperature. Life has its own time to care for; Home, more need to taste.

ENJOYING

The original fragrant ofmaple is flowing freely in the elegance of modern room.

Enjoying the warmth andpoetry of home in every morning, the most beautiful details in thelife are always so charming.

FAMILY

Elegant lifestyle, Deduct the deep understanding of life. Life should be quiet and thick,

There is beauty and temperature everywhere. Spring comes and summer goes and autumn harvests and winter hides, Every day of family together is worth collecting.

BEAUTY

The beauty of time is in every detail.

Use your favorite perspective to record the spring, autumn, winter and summer at home. The wind and moon are beautiful, and the family is the most romantic.

A quiet and interesting day, It is the most expected blandness.

HOME

For home, The object is a narrator,

Tell the hidden or revealed wisdom as a bystander.

The world is never short of injury, deception and betrayal,

But that's why,The home is especially warm and kind.

CARE

The clean and elegantcolor and structure coruscate the unique expressive forceandpermanent life.

The warmth of citymelted with the natural simplicity makes the modern furnituretakeon an unique humanism care.

BEAM

The world is never short of injury, deception and betrayal, But that's why, The home is especially warm and kind.

We are convinced that Everything in the home carries everyone's The sense of belonging and memories of different periods, Love everything and return to others.

NOSTALGIA

Nostalgia is a kind of emotion,

Owning a piece of furniture has gone through the changes of time,

Leave vivid years,

Like a cup of coffee, the more you drink, the more mellow

DREAM

alarm clock A thousand calls Just for you Come back to reality How beautiful the dream is

Less than the reality of life

before this

There is no light after this

No savage love

human civilization

In vain from the extreme of black or white

PICTRUE

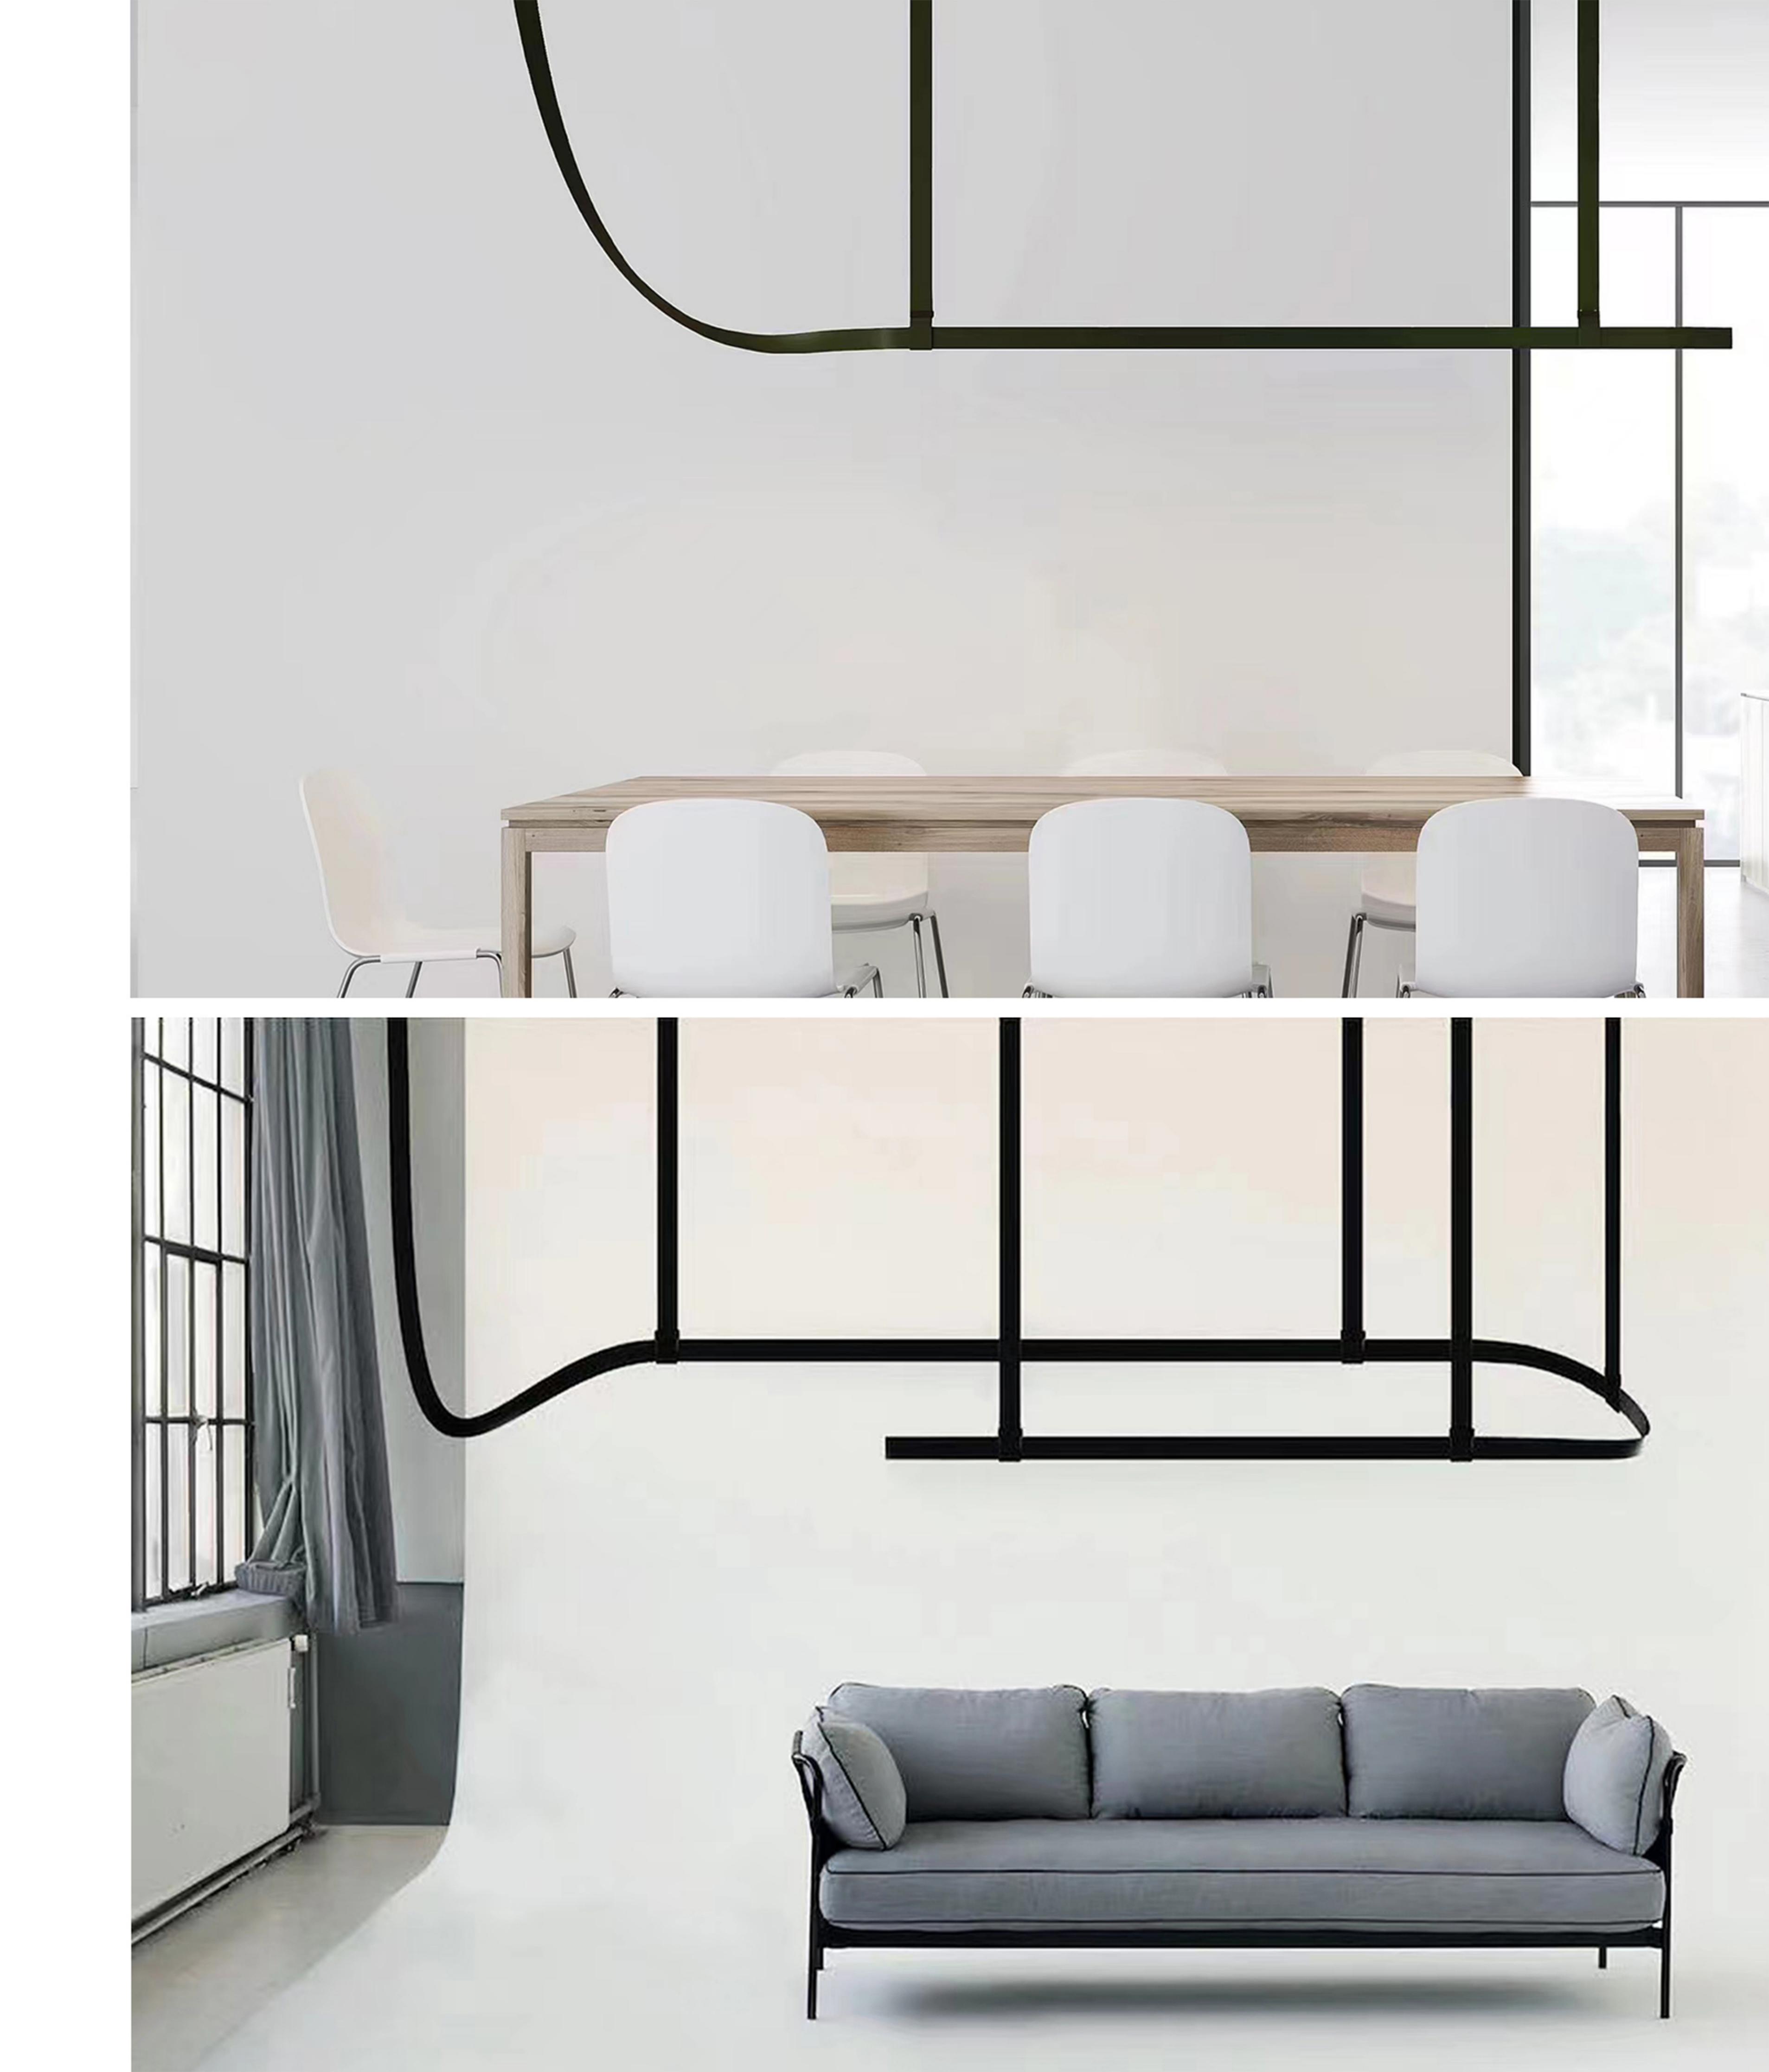

Picture frame

Hang Van Gogh's faith in the sun on the wall

Hang Dali's interpretation of dreams on the wall

Hang Picasso's thoughts on life on the wall

Check the wisdom of people and decorate their lives

MOST

Most people

May not understand art

But it doesn't prevent most people from using art

Decorate yourself

Only the hard truth is to work hard
I didn't leave home

Just took home far away

ALWAYS

There is always one person

It's worth waiting It's never too late If the heart has no place to live

I'm wandering everywhere

MORNING

The smile of the morning gives you

Good night to you

One voice of solitary courage and the rest of his life Here you are, let me go I can give you a warm home
