

# Oceano

Immaginare le forme, la luce e la materia dell’abitare contemporaneo, entrare nelle case delle persone creando emozioni e sensazioni positive.

Un tuffo nelle atmosfere mediterranee in grado di plasmare l’incontro tra forme e colori, superfici laccate e nuance dei tessuti. I riflessi del vetro e le sue cromature creano un gioco sottile, tra luce e ombra.

È con queste premesse che nasce Oceano, una collezione capace di interpretare il racconto più autentico del vivere presente.

Imagine the shapes, the light and the matter of contemporary living; coming into people’s home, creating emotions and positive feelings.

A dive into Mediterranean atmospheres able to mould the union between shapes and colours, lacquered surfaces and fabrics palette. Glass reflections and its chromatic finishes create a subtle play of light and shadow.

With this concept Oceano was born, a collection capable to interpreting the most authentic story of the present-day living.
