CUSTOMIZABLE DINING TABLES TAVOLI DA PRANZO PERSONALIZZABILI

The customisable tables can be fixed or extendable, with separate, drop-in extensions, complete with carved band motif. Tables longer than 3 metres are supplied in sections.

The bases, legs and band motifs are available in all finish variants: **Standard, Elite, Luxury.**

Customisable tables are tables with multiple legs and/or stretchers, complete with carved bands of motifs, making adaptation possible to a number of size combinations. Paired with: **parquet oak tops in Versailles or Chevron design**, available in three finishes, or **smooth tops or with a double line** engraved around the perimeter (track), available in all finish variants: **Standard, Elite, Luxury.**

In the case of gold or silver leaf finish on top, the appearance is 'dappled' due to the type of material and processing.

I tavoli personalizzabili posso essere fissi o allungabili, con allunghe separate non a scomparsa, complete di fascia intagliata. I tavoli di lunghezza superiore a 3 metri sono forniti divisi in parti.

La base, le gambe e i decori sono disponibili nelle varianti: **Standard, Elite, Luxury.**

I tavoli personalizzabili sono tavoli con gambe multiple e o crociate, completi di fasce intagliate che permettono di adattarsi a numerose combinazioni di misure. Abbinati con: **piani in rovere parchettato a disegno Versailles o Chevron**, disponibili in tre finiture, o **piani lisci o con doppia linea** incisa lungo il perimetro (binario), disponibili in tutte le varianti di finitura: **Standard, Elite, Luxury.**

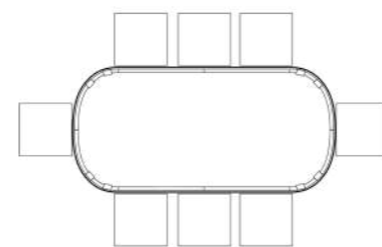

In caso di finitura in foglia oro o argento i piani si presentano con un aspetto "a toppe" dovuto alla tipologia di materiale ed alla lavorazione.

MODULAR TABLES MODULAR TAVOLI DA PRANZO COMPONENTI

The modular tables are composed of a base, single or double, to which a top of various sizes and shapes, in two thicknesses, can be attached: one for extendable tops (group A) and one for fixed tops (group B). The extension leaves are always separate, not fold-away. The construction of these types of tables enables the realisation of very large dimensions by using several bases. The bases are available in all finish variants: **Standard, Elite, Luxury**. The recommended shape/base combinations are indicated in each item's specification table. Modular table bases can also be combined with glass tops.

I tavoli componibili sono composti da un basamento, singolo o doppio, al quale abbinare un piano di varie dimensioni e forme, di due spessori: uno per piani allungabili (gruppo A) e uno per piani fissi (gruppo B). Le allunghe sono sempre separate, non a scomparsa. La costruzione di queste tipologie di tavoli, permette di realizzare misure molto grandi utilizzando più basi. I piani in abbinamento possono essere: **Standard, Elite, Luxury**. Gli abbinamenti consigliati forma/base sono indicati in ciascuna tabella. Le basi dei tavoli componibili sono abbinabili anche a piani in vetro.

MODULAR TABLES (base + table top) TAVOLI COMPONENTI (base + piano tavolo)

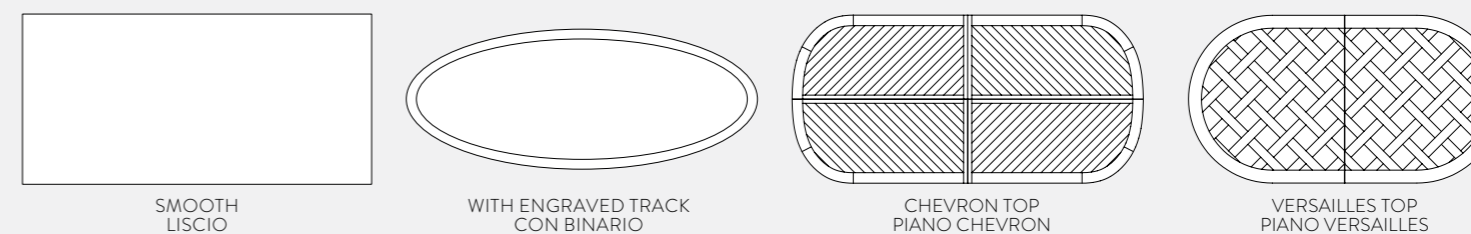

* If purchased in pairs, single bases can also be completed with rectangular and ribbed tops.
Se acquistate in coppia, le basi singole possono essere completate anche con piani rettangolari e centinati.

SOFAS AND ARMCHAIRS DIVANI E POLTRONE

The sofas in the collection are made with frames or bases in carved solid wood. Some models are available in different sizes and in matching combination with armchairs; all models are available in all finish variants: **Standard, Elite, Luxury.**

All items in the catalogue can be supplied with upholstery chosen from the Roberto Giovannini "Mosaico" and "Rondò" fabric selections or in neutral-coloured muslin or in the customer's fabric (C.O.M.).

For some articles it is possible to choose a fixed or removable seat cushion (versions only in fabric).

Articles marked with the letter B are made with 'capitonné' padding, the letters PE, on the other hand, indicate craftsmanship in leather, selected from the Roberto Giovannini collection, or supplied by the customer (C.O.M.).

The options for the padding finishes can be:

- Single edge-piping in fabric
- Matching trimmings (RG or supplied by the customer)
- Metal studs (gold, black, chrome, antique effect)

the standard variant for leather coverings (PE)
Certified fire retardant padding is available on request.
Decorative cushions are supplied separately, with single edge-piping or marabout trim to match the fabric.

I divani della collezione sono realizzati con fusti o basi in legno massello intagliato. Alcuni modelli sono disponibili in diverse misure e in abbinamento con le poltrone; tutti i modelli sono disponibili in tutte le varianti di finitura: **Standard, Elite, Luxury.**

Tutti gli articoli a catalogo sono fornibili con rivestimento a scelta tra i tessuti selezione Roberto Giovannini "Mosaico" e "Rondò" oppure in mussolina di colore neutro o tessuto cliente (C.O.M.).

Su alcuni articoli è possibile scegliere la seduta fissa o con cuscino mobile (versioni solo in tessuto).

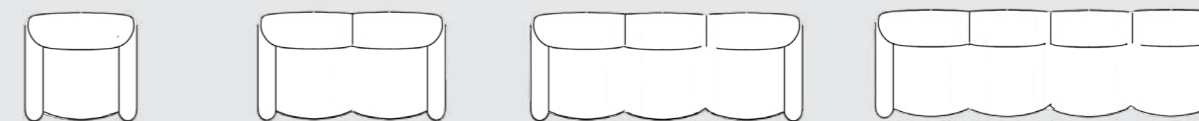

Gli articoli contraddistinti dalla lettera B sono realizzati con imbottitura "capitonné", le lettere PE, invece, indicano la lavorazione in pelle, selezionata dalla collezione Roberto Giovannini, o fornita dal cliente (C.O.M.).

Le rifiniture delle imbottiture possono essere, a scelta:

- Bordino singolo in tessuto
- Passamaneria a tono (RG o fornita dal cliente)
- Borchie in metallo (oro, nero, cromo, anticato)

Variante standard per lavorazione pelle PE.

Su richiesta è possibile avere imbottiture ignifughe certificate. I cuscini decorativi sono forniti a parte, con rifinitura bordino singolo o marabout in abbinamento al tessuto.
