## PRESENTATION

We explore the artistry and elegance of bespoke furniture design. We are delighted to feature our exquisite furniture crafted for the prestigious five-star superior Grand Hotel Fasano, located on the enchanting shores of Garda Lake. With its rich history dating back to the 19th century, the Grand Hotel Fasano stands as a testament to timeless luxury and grandeur. This historic hotel seamlessly blends old-world charm with modern elegance, offering guests an unparalleled experience of comfort and sophistication. The hotel's meticulously maintained gardens, exquisite spa facilities, and stunning lakeside views create a sanctuary of tranquility and refinement. At Sevensedie, we have meticulously tailored various pieces from our distinguished range to seamlessly integrate with the hotel's unique interiors and architectural features. Each piece has been thoughtfully adjusted in size, finish, and upholstery to complement the hotel's opulent aesthetic, creating an atmosphere of timeless elegance and comfort. The commitment to understand and to

fulfill the client's requirements, the flexibility of production and the dedication can be perceived through in every aspect of this project. From the initial consultation to the final installation, we provide expert advice and optimal solutions, meticulously managing each step of the process. We adhere strictly to all deadlines while maintaining the highest attention to detail, ensuring that every piece not only meets but exceeds expectations. This dedication to excellence guarantees that our furniture harmoniously enhances the luxurious and historic ambiance of the Grand Hotel Fasano.

## — TIMELESS ELEGANCE

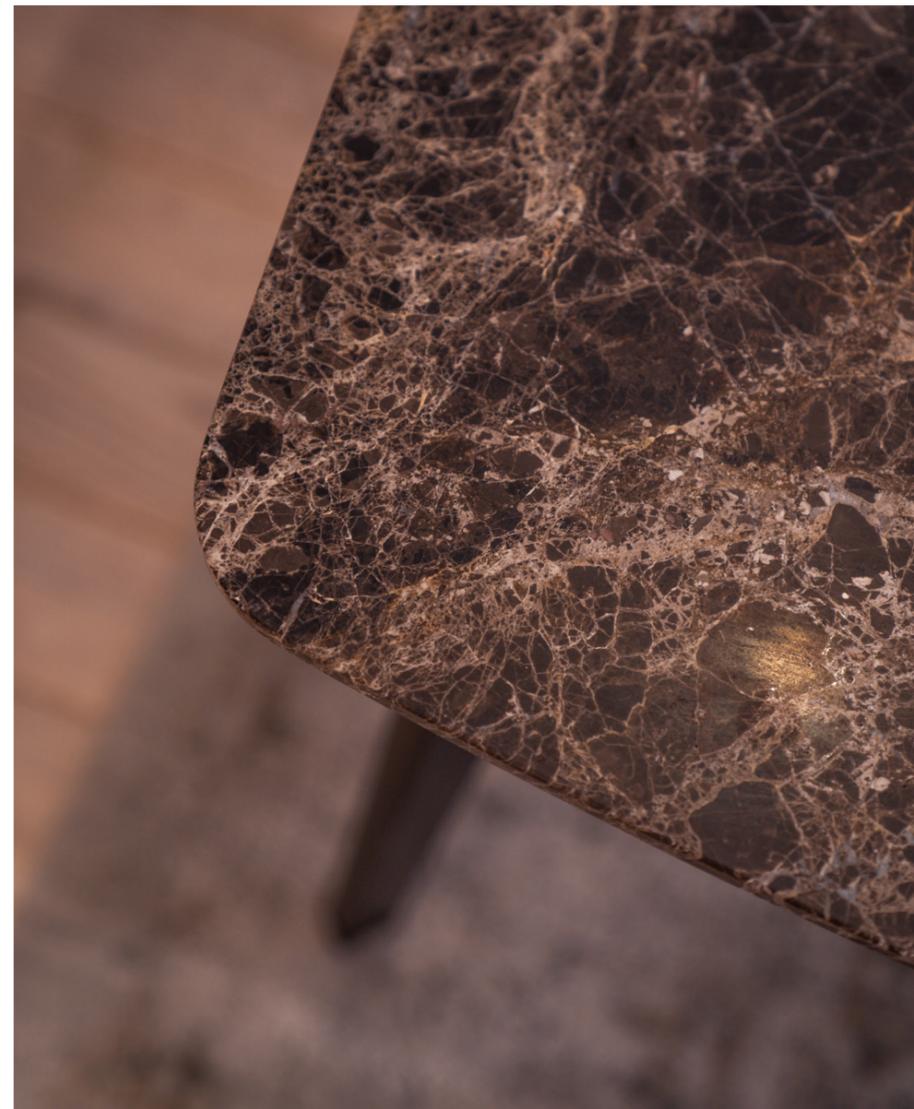

Our Classic Logan armchairs, upholstered in luxurious velvet, add a touch of sophistication and comfort to this elegant space. Featuring a traditional tufted back, these armchairs provide both aesthetic appeal and ergonomic support, inviting guests to relax in style. Originally designed as a dining table, the Sandina has been expertly customized for this venue to serve as a refined concierge desk. Adjusted in size to fit perfectly within the space, this piece now boasts a functional and exclusive leather top, adding a touch of luxury and durability. The addition of drawers enhances its practicality, providing ample storage for concierge essen-

tials. The natural finish of the Sandina table, complemented by cream hand-painted details, accentuates the intricate carvings, highlighting the craftsmanship and elegance of this unique piece. Together, the Classic Logan chairs and the customized Sandina table create an inviting and sophisticated atmosphere, perfectly aligned with the Grand Hotel Fasano's luxurious and welcoming ethos.

The Grand Hotel Fasano library is a testament to timeless elegance and sophisticated design. This serene haven offers an inviting atmosphere, perfect for relaxation and contemplation. The meticulously curated space is furnished with a blend of classic and contemporary pieces that elevate the aesthetic and provide unparalleled comfort. The library area provides an enchanting ambiance, with its carefully curated book collection and tasteful furnishings, offers a perfect spot for relaxation and indulgence. An ideal place to unwind and let yourself be pampered by the captivating surroundings. Natural light floods the room, enhancing its brightness and highlighting the sophisticated decor. Coming through the large windows facing one of the best corners of the Garda lake, the natural light mixed to the reflections of nature gives to the space an airy and open feel. The timeless Chesterfield style leather sofa, seamlessly combined with the modern King armchair. These pieces are arranged around a Theo coffee table with a top made from natural Emperador marble, adding a touch of luxury to the setting. The cream tones of the upholstery, paired with the white walls, create a serene and inviting atmosphere.

Central to the seating arrangement is the Theo coffee table, featuring a stunning natural Emperor marble top. The rich, dark veins of the marble add a touch of opulence, making it a focal point in the room. The table's sturdy yet elegant design ensures it is both a functional and beautiful addition to the space. The library's design palette of cream tones and white walls enhances the natural light that floods the room, further amplified by strategically placed mirrors. This infusion of light creates an atmosphere of airy tranquility, perfect for reading or simply enjoying the view of Garda Lake. The thoughtful arrangement and selection of furnishings at the Grand Hotel Fasano library not only showcase exquisite craftsmanship but also ensures that every guest feels a sense of luxurious comfort. Whether you are curling up with a good book or engaging in quiet reflection, this space provides an enchanting atmosphere that pampers and delights the senses. By immersing yourself in the refined elegance of the Grand Hotel Fasano library, you'll experience a true relaxation in this beautifully curated space.

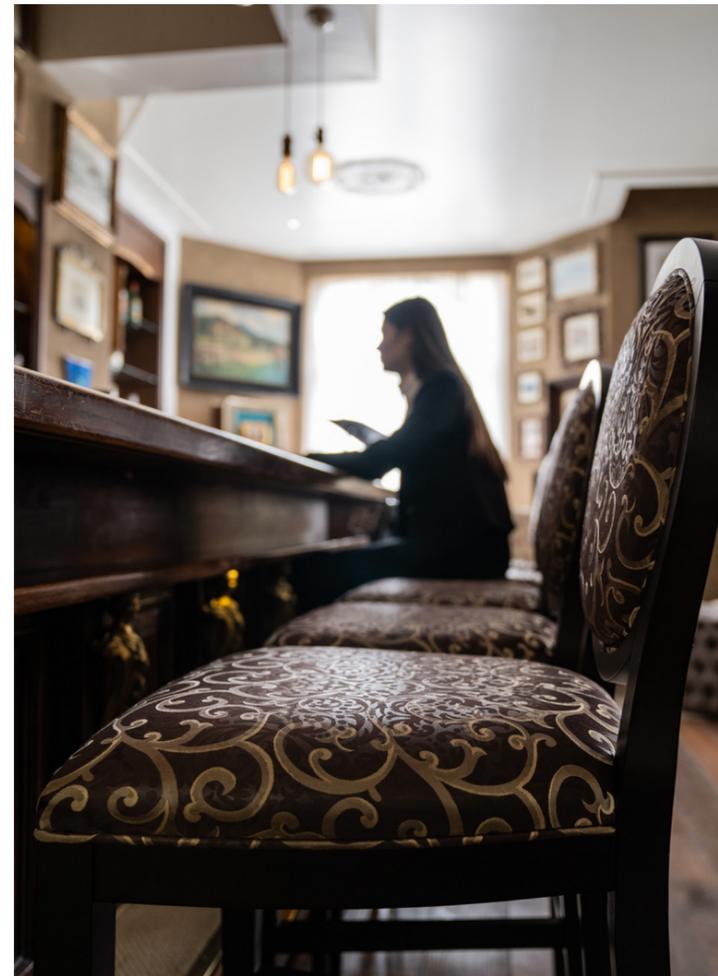

## GIN BAR

Step into a world of refined elegance at the Gin Bar, where you'll discover an unparalleled selection of over 50 exquisite gins sourced from every corner of the globe. The head barman, Rama, pairs these gins with premium tonic waters, creating combinations that showcase his profound expertise and boundless creativity. The ambiance is enriched by an array of meticulously curated furniture. The Old England two-seater, featuring a classic deep button back, invites you to relax in timeless comfort. Complementing it is the Miranda high back chair, providing an air of stately elegance. The centerpiece of the lounge is the hand-painted coffee table, a true work

of art that adds a touch of bespoke charm. For those who enjoy a more elevated experience, the Anello bar stool offers a perfect perch at this sophisticated bar, which is adorned with intricate details and plush seating. Adding to the luxurious setting is the Firenze coffee table, distinguished by its hand-carved frame and magnificent marble top, exuding opulence and fine craftsmanship. Each piece of furniture is selected not just for its beauty, but for its ability to enhance your experience at the Gin Bar. Whether you're a gin connoisseur or a curious newcomer, the Gin Bar promises a journey of taste and sophistication like no other.

## JUNIOR SUITES

The small rectangular table is one of the standout features, inspired by the Contera model from the new Evolution collection. This piece, with its fluted leg and functional ceramic top, perfectly complements the rich wall paneling, enhancing the suite's sophisticated feel. The three-seater Nagara

sofa has been transformed into an exclusive leather sofa bed, providing extra sleeping space when needed. This clever adaptation maintains the suite's elegance while adding functionality

The modern Ensemble coffee table, with its sleek ceramic top, fits seamlessly into the room, adding a contemporary touch to the overall design.

A unique designer bar cabinet has been crafted specifically for this suite. Its design and texture harmonize with the Aurelius desk, creating a seamless flow within the space. The Aurelius desk itself is a prominent feature, offering both practicality and style, consistent with the other bespoke pieces to ensure a uniform look.

### Color Coordination

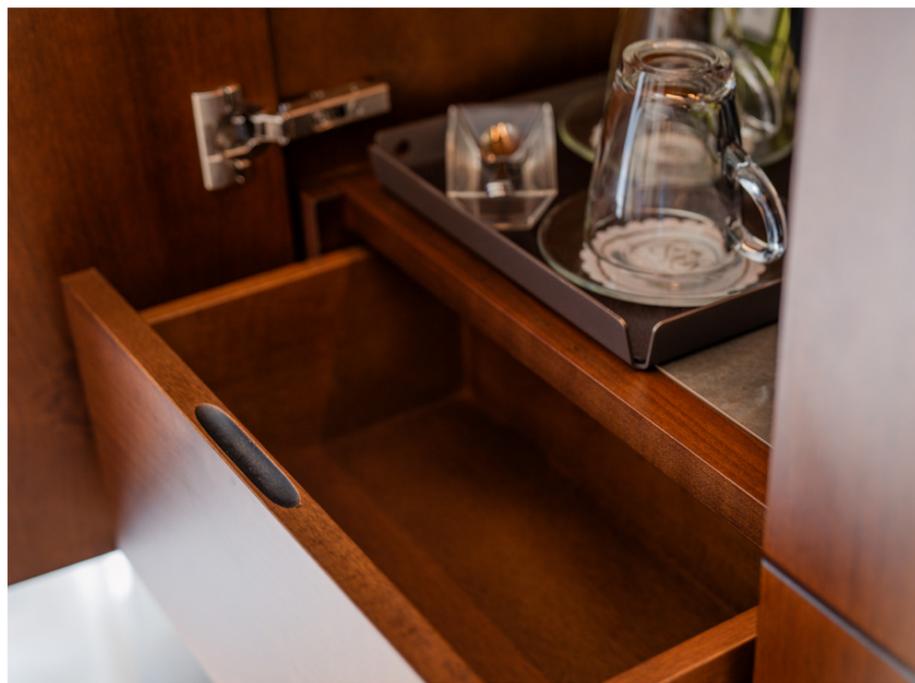

The suite's color palette is warm and inviting, centered around neutral tones that promote relaxation. Rich wood hues dominate the space, from the wall paneling to the furniture, creating a sense of warmth and sophistication. Soft beige and cream tones are prevalent in the fabric choices for

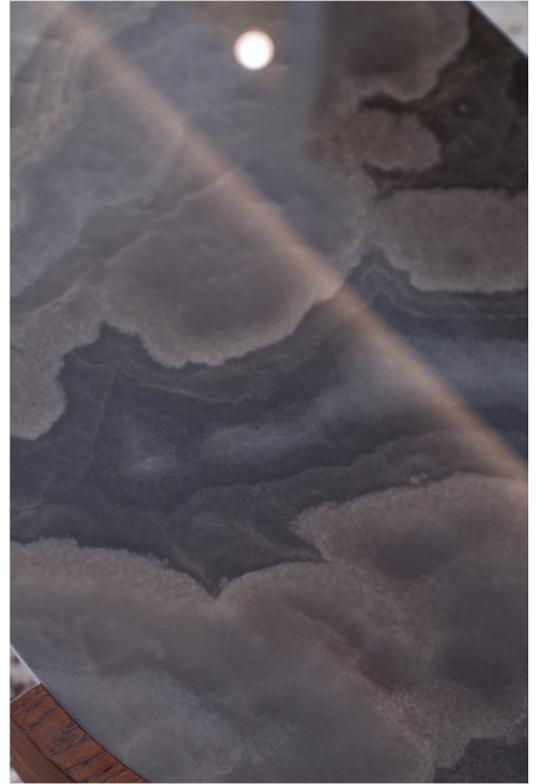

the chairs, sofa, and bed linens, contributing to a calm and serene atmosphere. Subtle accents, such as patterned upholstery and decorative pillows, add visual interest without overwhelming the space.

### Overall Aesthetic

The junior suite's design strikes a perfect balance between functionality and elegance. Each piece of bespoke furniture not only serves a practical purpose but also elevates the room's aesthetic. The use of high-quality materials and attention to detail ensure a luxurious experience for guests. The thoughtful color coordination ties all elements together, creating a harmonious and visually pleasing environment.

This room perfectly demonstrates the seamless blend of classic and contemporary design, creating a unique and enchanting atmosphere. The classic Kalo bed, part of the Butterfly classic furniture collection, features elegant carvings, meticulously selected upholstery fabrics and accent details. For this room, we used real ash wood with an open grain surface, this was the ideal material to complement the existing built-in wardrobes and historical doors integral to the architecture.

**ATTENTION TO DETAIL**

The Fortuna 3 seater sofa is turned into a functional sofa bed, upholstered with an elegant velvet with a geometrical pattern linking it to the beautiful Giulia chair. The corner is completed by the Klepsidra marble top lamp table together with a bespoke 2 door sideboard made in special sizes to suit to perfection the required space. The result is a harmonious and stylish interior that combines functionality with timeless elegance. The choice of the Fortuna sofa, with its geometric velvet upholstery, is not only aesthetic but also practical: the ability to convert it into a comfortable bed makes

it ideal for guests, offering an elegant solution without sacrificing comfort. The Giulia chair, with its refined design, adds a touch of class, creating a visual link that unifies the various elements of the decor. The Klepsidra table, with its marble top, adds a touch of luxury and solidity to the ensemble, while the custom-made sideboard, designed to make the best use of available space, represents a perfect blend of functionality and sophistication. Each piece has been carefully selected to create a cozy and sophisticated environment where every detail contributes to an atmosphere of timeless

elegance. In conclusion, this space, furnished with the Fortuna sofa, Giulia chair, Klepsidra table, and custom sideboard, not only meets practical everyday needs but also elevates the aesthetic of the interior design, offering an impeccable visual and functional experience.

## THE ESSENCE OF ELEGANCE

The classic Kalo bed, with its elegant tufted headboard, combines charm, comfort, and personality. The tufted design adds sophistication, while plush padding ensures support. As the bedroom's focal point, it enhances visual appeal and coziness. Available in various colors and textures, the luxurious fabric allows customization, making the Kalo bed versatile for diverse tastes.

In front of glass doors opening to a balcony with a breathtaking view of Lake Garda and Monte Baldo are two Kelifos swivel armchairs. Characterized by fluted backs and stylish design, these armchairs create a romantic setting. The soft, upholstered seats offer maximum comfort, while the swivel feature adds functionality. This space in-

vites relaxation, perfect for unwinding and enjoying the serene surroundings. The armchairs, with their elegant curves and plush cushions, are ideal for a good book or intimate conversation. At night, the area becomes enchanting. Moonlight reflecting off Lake Garda creates an atmosphere of peace and serenity. The Kelifos armchairs, positioned for the best view, offer a perfect spot for soaking in the natural beauty. Whether sipping wine while watching the sunset or enjoying the cool night breeze, this space offers an escape from daily life. The combination of the Kalo bed's charm and the Kelifos armchairs' allure makes this bedroom a haven of comfort and style, perfect for those seeking elegance and tranquility.

## Kalo and Kelifos a stunning combination

In summary, the combination of the Kalo bed and Kelifos armchairs creates a serene and stylish retreat. The elegant tufted headboard of the Kalo bed adds a touch of sophistication, while the fluted backs of the Kelifos armchairs enhance the romantic ambiance. Together, they make this bedroom a perfect haven for comfort and relaxation.

Elegant and functional design elements of a hotel room that exudes modern charm. The Look nightstand, with its sleek and practical design, complements the contemporary aesthetic of the space. The bed features an elegant real leather headboard, adding a touch of luxury and comfort to the room.

A large wall mirror reflects natural light, effectively enlarging the room and enhancing its brightness. This mirror not only serves a practical purpose but also adds a significant design element, contributing to the overall ambiance.

The natural wood floor integrates seamlessly with the room's color palette, creating a warm and inviting atmosphere. This blend of natural textures and modern elements exemplifies the hotel's commitment to provide a stylish and comfortable environment for its guests.

The room's thoughtful design, from the carefully chosen furnishings to the harmonious color scheme, highlights the hotel's attention to details and dedication to create a serene and aesthetically pleasing atmosphere.

The Evia dining chair and armchair elevate the breakfast room with their antique white frames and unique upholstery, reminiscent of a printed medieval manuscript. The chairs' timeless design and distinctive fabric make this space a captivating haven for enjoying meals and moments of relaxation.

# EVERLASTING CLASSIC

The Evia dining chair and the Evia armchair in the beautifully lit breakfast room. These chairs feature frames finished in antique white, adding to their traditional charm. The upholstery is crafted from an exclusive fabric that resembles a printed medieval manuscript, lending a unique and historical aesthetic to the room. The natural light floods the room

through large, majestic glass windows, creating a bright and inviting atmosphere. The chairs' design and finish perfectly complement this setting, enhancing the room's elegance and warmth. This blend of traditional elements and natural lighting makes the breakfast room a delightful space for dining and relaxation.

**AQVA SPA**

The “AQVA SPA” has been recently refurbished to provide an environment of ultimate comfort and relaxation. Part of the refurbishment are several bespoke pieces that enhance both the aesthetics and functionality of the space. A standout piece is the Elly Sideboard, featuring a fluted front with a white structure and gold leaf doors. This sideboard has been modified with a hollow top designed to hold used towels, seamlessly blending practicality with elegance.

The Elly reception desk is another highlight, tailored to meet functionality requirements while exuding style and sophistication. The facades of the cabinet are adorned with gold leaf and illuminated by an elegant LED strip light, creating a striking visual effect. The top of the cabinet features ceramic inserts, adding both style and durability. The back of the cabinet is fitted with drawers, shelves, and doors, ensuring it can efficiently accommodate all the operator’s equipment.

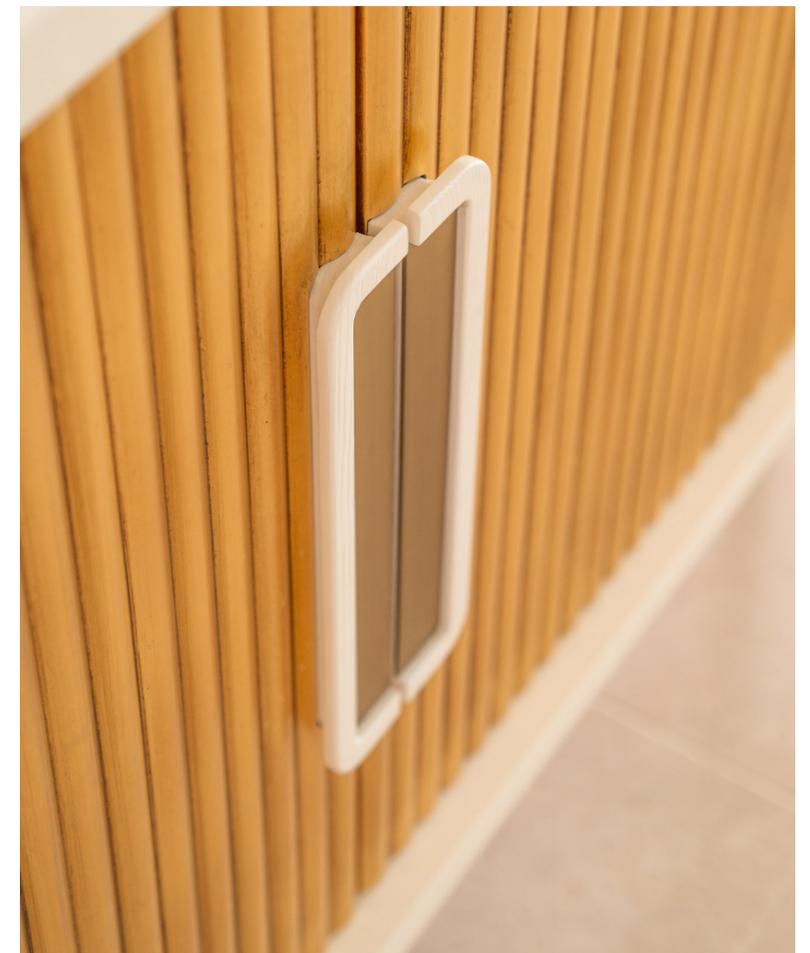

A bespoke Round Bench serves as a focal point in the spa’s entrance, completing the grandeur of the space and inviting guests into an environment of luxury and relaxation.

The AQVA SPA is not only visually appealing but also highly functional, ensuring a seamless and relaxing experience for all visitors.

SAINE BARTHE

DO NOT DRINK

In the serene setting of a refined spa, the refreshment station stands as a perfect retreat after a soothing sauna. The elegant wooden cabinetry, accented with brass handles and ceramic top, reflects the sophisticated design of the space. Soft lighting, provided by warm pendant lamps, enhances the tranquil atmosphere, inviting you to relax and recharge. Nestled within this oasis, the refresh-

ment station offers an array of revitalizing beverages and wholesome snacks, thoughtfully curated to nourish your body and soul. After the gentle heat of the sauna has eased away your stress, this station beckons you to rehydrate and indulge in the gifts of nature. The crisp, cool water, fresh fruits, and an assortment of nuts and seeds are not just refreshments but a celebration of health and wellness.

This harmonious blend of luxury and nature creates an inviting ambiance where every detail is designed to enhance your spa experience. The refreshment station is more than a place to quench your thirst; it is a sanctuary where you can embrace the serenity and rejuvenate with the finest offerings nature has provided.

We extend our heartfelt gratitude to the Mayr family for their trust and the opportunity they have given us to support them in their interior renovation. Their confidence in Sevensedie has allowed us to give our small contribution to the Grand Hotel Fasano ongoing legacy of elegance and sophistication.
