EXCLUSIVE ITALIAN LIGHTS

estro

Estro è sinonimo di luce e di illuminazione, ed in questo catalogo vogliamo consolidare e rinnovare tutta la nostra capacità ed esperienza nella creazione e produzione di apparecchi illuminanti. Sempre pronti a spingere i limiti del "lighting design", il nostro ruolo è ascoltare le tue idee e fare del nostro meglio per trasformare la tua visione in realtà. Non solo abbiamo una vasta gamma di prodotti standard, ma siamo anche lieti di affrontare sfide su misura: qualsiasi dimensione, forma, colore o finitura; la scelta è tua. Le nostre officine di consolidata esperienza, la scelta delle materie prime e la cura nelle rifiniture, ci permettono di presentarti un prodotto di pregiata fattura ed indiscussa qualità.

Estro is the synonym of lighting design, and in this catalogue, we want to consolidate and renew all our skills and experience in the creation and production of lighting solutions. Always prepared to push the limits of lighting design, our role it's to listen to your ideas and then do our utmost to turn your vision into reality. Not only do we have a wide range of standard products, we are also happy to take on bespoke challenges any size, shape, colour of finish; the choice is yours. Skilled works with consolidated experience, raw materials selection and care in the end finishings, put the Estro product to the highest quality standards.

About Us

Esperienza

Experience

La nostra esperienza nel progettare e produrre eleganti lampade decorative, si estende a una grande varietà di prodotti su misura. Rinomati per le nostre capacità tecniche, per la flessibilità e la capacità di lavorare in collaborazione con i più importanti designer del mondo, abbiamo tutte le competenze tecniche e decorative per migliorare qualsiasi tipologia di interni.

Estro's expertise in designing and manufacturing beautiful and elegant lighting collections in-house extends to a huge variety of bespoke products. Renowned for their flexibility, technical capabilities and ability to work collaboratively with some of the world's leading designers, Estro have the skills to enhance any interior scheme by taking a client's vision, adding technology and value engineering and making it a reality.

Storia

History

Nel 1995 abbiamo iniziato questo cammino, affrontando ogni giorno e ogni progetto come una sfida. Grazie alla nostra tenacia e dedizione dei nostri collaboratori, siamo stati in grado di sviluppare molte collezioni come l'ultima nata, la collezione Cordless.

In 1995 we started this journey, facing every day and every project as a challenge. Thanks to our tenacity and the dedication of our collaborators, we have been able to develop many collections such as the latest one, the Cordless collection.

Passione

Passion

Amiamo vedere i nostri prodotti prendere forma, ci riempie di immenso orgoglio vedere che ogni singolo dettaglio prende vita e che ognuno di noi ne ha fatto parte. Abbiamo sempre progettato e prodotto all'interno della nostra azienda e siamo convinti che la collaborazione sia la chiave del successo di tutto questo.

We love to see our products take shape, it fills us with immense pride to see that every single detail come to life and that each of us has been part of it. We have always developed and produced within our company and we are convinced that collaboration is the key to the success of all this.

Bar e Ristoranti

Bar and Restaurants

Un'ottima illuminazione può definire una giusta atmosfera per Bar e Ristoranti. Con le nostre collezioni offriamo una vasta gamma di prodotti, e sempre a contatto con i designer di interni diamo vita a concetti di illuminazione personalizzati.

Excellent lighting can define the right atmosphere for bars and restaurants. With our collections we offer a wide range of products, and always in contact with interior designers we give life to customized lighting concepts.

Nautica

Marine

Fornitori di illuminazione per l'industria navale, lavoriamo a stretto contatto con i principali operatori navali e i principali progettisti e architetti di interni del settore nautico.

Estro are a leading supplier of lighting to the global marine industry. Working closely with major cruise operators, shipyards and leading naval interior designers and architects.

Ospitalità

Hospitality

Con 30 anni di esperienza e la vasta conoscenza del mercato, offriamo le migliori collezioni di illuminazione per il settore Contract nel mondo. Lavoriamo in collaborazione con operatori alberghieri e interior designers per raggiungere il massimo livello di efficienza in termini di estetica e qualità costruttiva.

With 30 year experience in hospitality lighting, Estro's extensive market knowledge means they offer one of the best hotel lighting collections in the world. Estro work collaboratively with hotel operators, interior designers, procurement groups and contractors making them a fundamental part of the team responsible for bringing projects to a successful conclusion.

Design

Design

La nostra esperienza e il modo di lavorare partono da un disegno, passano attraverso un prototipo 3D fino alla realizzazione del prodotto finale. L'etica del design si riflette in tutte le nostre realizzazioni, dal prodotto a catalogo fino a quello personalizzato.

Our experience and the way of working start from a drawing, go through a 3D prototype up to the realization of the final product. The ethics of design is reflected in all our creations, from the catalog product to the customized one.

Restauri

Restoration

Siamo regolarmente coinvolti nella ristrutturazione di apparecchi di illuminazione. Che si tratti di aggiornare il cablaggio, rifinire i metalli o sostituire i componenti; siamo in grado di trasformare i pezzi antichi e originali in prodotti moderni.

Estro are regularly involved in refurbishing period lighting and their specialists are trained in the fine art of lighting restoration. Whether upgrading wiring and technology, refinishing metalwork and replacing missing components,.

Le lampade da parete sono soluzioni eleganti e versatili per l'illuminazione degli spazi. Non solo sono perfette per ottimizzare gli ambienti, ma diventano veri e propri elementi di design che aggiungono carattere e atmosfera a ogni stanza. Grazie alla loro capacità di sfruttare al meglio lo spazio verticale, permettono di illuminare senza invadere l'area calpestabile, creando giochi di luce che trasformano l'ambiente in modo sofisticato e funzionale

Wall lamps are elegant and versatile solutions for lighting spaces. Not only are they perfect for optimizing environments, but they also become true design elements that add character and atmosphere to any room. Thanks to their ability to make the most of vertical space, they allow for illumination without invading the walkable area, creating light effects that transform the environment in a sophisticated and functional way.

Le lampade da tavolo sono soluzioni eleganti e funzionali per illuminare ogni ambiente. Che siano posizionate su una scrivania, un tavolino o un comodino, creano un'atmosfera accogliente e raffinata, arricchendo l'ambiente con il loro design. La loro versatilità consente di adattarsi perfettamente sia a decori moderni che classici, offrendo il giusto equilibrio tra forma e funzione in ogni stanza.

Table lamps are elegant and functional solutions for lighting any space. Whether placed on a desk, side table, or bedside table, they create a warm and refined atmosphere, enhancing the environment with their design. Their versatility allows them to perfectly complement both modern and classic décors, offering the right balance of form and function in every room.

Perfette per creare punti luce strategici e atmosferici, le lampade da terra sono ideali per illuminare gli angoli bui, accanto a divani o poltrone, o per evidenziare dettagli architettonici. La loro altezza e la loro presenza le rendono protagoniste indiscusse, capaci di aggiungere un tocco di design e stile a qualsiasi spazio. Versatili e funzionali, si adattano con facilità a ogni tipo di arredamento, dal più moderno al più tradizionale, diventando un elemento essenziale che unisce estetica e praticità in modo impeccabile.

Perfect for creating strategic and atmospheric light points, floor lamps are ideal for illuminating dark corners, next to sofas or armchairs, or for highlighting architectural details. Their height and presence make them undeniable focal points, capable of adding a touch of design and style to any space. Versatile and functional, they easily adapt to any type of décor, from the most modern to the most traditional, becoming an essential element that seamlessly combines aesthetics and practicality.

Lantern

tern

Le lanterne sono l'ideale per creare un'atmosfera calda e suggestiva, sia all'interno che all'esterno del tuo spazio. Perfette per arricchire l'ambiente con una luce morbida e avvolgente, queste eleganti soluzioni di illuminazione possono essere utilizzate in ogni angolo, dal soggiorno al giardino, dal corridoio alla terrazza. Con materiali che spaziano dal metallo al vetro, ogni lanterna è pensata per resistere a qualsiasi ambiente, offrendo sia bellezza che funzionalità.

Lanterns are perfect for creating a warm and evocative atmosphere, both indoors and outdoors. Ideal for enriching a space with soft, enveloping light, these elegant lighting solutions can be used in any corner, from the living room to the garden, from the hallway to the terrace. With materials ranging from metal to glass, each lantern is designed to withstand any environment, offering both beauty and functionality.

Mirror

Grazie alla possibilità di scegliere forme, dimensioni e finiture, ogni specchio diventa un pezzo d'arredo esclusivo, in grado di arricchire e trasformare l'ambiente. Che si tratti di un ingresso, di un bagno, di una zona giorno o di una zona notte, uno specchio su misura può essere progettato per rispondere a esigenze pratiche e estetiche specifiche, valorizzando la luce e l'ampiezza degli spazi.

Thanks to the ability to choose shapes, sizes, and finishes, each mirror becomes an exclusive piece of furniture, capable of enriching and transforming the space. Whether it's for an entryway, bathroom, living area, or bedroom, a custom mirror can be designed to meet specific practical and aesthetic needs, enhancing light and the sense of space.
