A modern interior scene featuring a wooden piano on the left, a brick wall with a large concrete patch in the center, and a large potted plant on the right. Two rugs are on the floor: a large brown one with a raised geometric pattern in the foreground and a smaller white one with a subtle pattern behind it. A floor lamp stands between the piano and the brick wall.

LESAGE®

A large, rectangular rug with a complex, abstract pattern in shades of purple, blue, and black, with some lighter, worn-looking areas. It is laid on a light-colored wooden floor. In the background, there is a dark, textured brick wall with two windows. To the right of the rug, there is a dark, curved, modern-style chair and a stack of books.

LES EDITIONS EXCLUSIVES_

‘Imaginées et dessinées au gré de mes inspirations, les trois collections, ‘Blanche’, ‘Traces’, ‘Les Eléments’ ont été réalisées au point noué à la main dans des matières chatoyantes et durables. Leur histoire est étroitement liée à la nature qui nous entoure, omniprésente, cette nature qui m’émue et me traverse par tant de beauté...

Sauvage et précieuse dans ‘Blanche’
Reliée, dansante, changeante dans ‘Traces’
Éclatante et vibrante dans ‘Les Eléments’

Belle découverte!’

‘Imagined and designed according to my inspirations, the three collections, ‘Blanche’, ‘Traces’, ‘Les Eléments’ are made with hand-knotted stitches in bright and durable materials; their story is closely linked to nature, which surrounds us, omnipresent, this nature which touches me and crosses me by so much beauty...

*Wild and precious in ‘Blanche’
In relief, dancing, changing in ‘Traces’
Bright and vibrant in ‘The Elements’*

Great discovery!’
