MARINA SOFT COLLECTION

La collezione MARINA e' stata pensata con intrecci fatti a mano in fibra sintetica e struttura in metallo verniciato a polvere. Divano da esterno componibile, sfoderabile quasi a volersi cambiare e fondersi nell'ambiente stesso. Gli intrecci dai toni caldi e incisi vengono alleggeriti dai piccoli vuoti che creano tra loro un gioco di luce, ombra e aria.

The MARINA collection has been designed with wooven synthetic fibers and structure in powder coated metal. Outdoor modular sofa, removable cover as a will to change and blend into the same environment. The weaves in warm and engraved tones are lightened by small gaps that creates among them a play of light, shadow and air.

MIKADO COLLECTION

Collezione di tavoli con base metallo verniciato bronzo con diverse dimensioni dei top.

Al di fuori degli stilemi abituali, con un'immagine accattivante ma allo stesso tempo minimale, libero da schemi e dall'omologazione formale, un modo semplice di interpretare un prodotto di design, adatto a qualsiasi stile d'arredo.

E' sicuramente un tavolo all'insegna del virtuosismo artigianale miscelato con le tecnologie industriali, concetti importanti che danno un valore aggiunto a questo prodotto. La base è formata da elementi in tubolare in ferro che si intersecano tra loro creando un supporto solido e stabile.

A collection of tables with bronze painted metal bases and different top sizes, that differs from the usual style, with an attractive yet minimal shape, free from schemes and from homologation, a simple way of interpreting a design product, suitable for every furnishing style.

The Mikado table is certainly a mix between artisan virtuosity and industrial technology, important concepts that give added value to this product. The base is made of tubular iron elements that cross each other creating a solid and stable support.

RAIN COVER

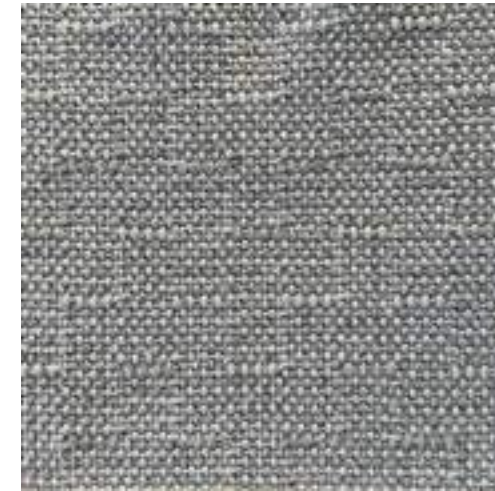

Tessuto tecnico idrorepellente con interno floccato per proteggere al massimo i prodotti.

Per migliorare la durabilità dei prodotti sarebbe utile adottare dei semplici accorgimenti come l’utilizzo di una speciale Rain Cover realizzata in tessuto impermeabile. Realizzata con uno speciale tessuto 100% poliestere usato anche in campo navale, la Rain Cover è dotata di coulisse che consente di bloccarla alla base degli elenimenti da coprire, per evitare anche che il vento la sollevi.

To improve the durability of the products it would be useful to adopt simple measures such as the use of a special Rain Cover made of waterproof fabric. Made with a special 100% polyester fabric also used in the naval field, the Rain Cover is equipped with a drawstring that allows you to lock it at the base of the lists to be covered, to prevent the wind from lifting it up.
